Seward County Rural Fire District
Seward, Nebraska 68434

We have compiled the accompanying forecasted statements of cash receipts and disbursements of the Seward County Rural Fire District, Seward, Nebraska as of June 30, 2012, and for the year then ending, included in the accompanying prescribed form, in accordance with attestation standards established by the American Institute of Certified Public Accountants. We have not audited or reviewed the accompanying financial statements and accordingly do not express an opinion or provide any assurance about whether the financial statements are in accordance with the form prescribed by the State of Nebraska Auditor or Public Accounts.

A compilation is limited to presenting in the form of a forecast information that is the representation of management and does not include evaluation of the assumptions underlying the forecast. We have not examined the forecast and, accordingly, do not express an opinion or any other form of assurance on the accompanying statements or assumptions. Furthermore, there will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

We have also compiled the accompanying historical statement of cash receipts and disbursements of the Seward County Rural Fire District, Seward, Nebraska for the year ended June 30, 2010, and June 30, 2011, included in the accompanying prescribed form. We have not audited or reviewed the accompanying historical financial statements and accordingly do not express an opinion or provide any assurance about whether the historical financial statements are in accordance with the form prescribed by the State of Nebraska Auditor or Public Accounts.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with requirements prescribed by the State of Nebraska Auditor of Public Accounts and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of historical financial statements without undertaking to obtain or provide any assurance that there are no material modifications that shall be made to the historical financial statements.

The forecasted and historical statements of cash receipts and disbursements are presented in accordance with the requirements of the State of Nebraska Auditor of Public Accounts, which differ from the cash basis of accounting. This report is intended solely for the information and use of the State of Nebraska Auditor of Public Accounts and the appropriate County offices and is not intended to be and should not be used by anyone other than these specified parties.

Management has elected to omit substantially all of the disclosures and summary of significant forecast assumptions ordinarily included in forecasted and historical financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the historical financial statements, they might influence the user's conclusions about the Fire District's receipts and disbursements. Accordingly, these historical financial statements are not designed for those who are not informed about such matters.
