3 LEGISLATIVE UPDATE - Gordon Kissel and Joe Kohout, Kissel/E&S Associates (Legislative Consultants)

Joe Kohout, Kissel/E&S Associates, presented a legislative update, noting bills that relate to the County's legislative priorities and other legislation of potential interest to the County (Exhibits A and B).

Hudkins asked Kohout for his thoughts on seeking legislation to allow a county-wide sales tax. Kohout said it will be dependent on the primary election and the positions of the successful candidates for governor and legislative offices on taxes. Working with the Nebraska Association of County Officials (NACO) on the issue and a briefing for the Douglas, Lancaster and Sarpy senate delegations were also suggested.

ADMINISTRATIVE OFFICER REPORT

A. Request to Lease Parking Space from Jackie Friedman (Community Mental Health Center (CMHC) Parking Lot)

Kerry Eagan, Chief Administrative Officer, said the parking lot is leased to Lutheran Family Services (LFS), which took over core services from the Community Mental Health Center (CMHC). He said LFS is not receptive to leasing any parking spaces at this time because it still needs to determine its parking needs. Eagan said he will contact Friedman and suggest that she contact LFS in a few months.

B. Prudential Meetings for Employees Nearing Retirement

Eagan said the meetings will likely be held in July or August. Hudkins requested that they be held over the lunch hour or in the afternoon on either a Tuesday or Thursday.

C. Pension Review Committee (PRC) Recommendation Regarding Core Plus Bond/PIMCO Fund

Eagan said the Pension Review Committee (PRC) is recommending the Core Plus Bond/PIMCO Fund be placed on the County's watch list because of a significant change in their management structure. **NOTE:** The Board will take action on the recommendation at the April 22, 2014 County Board of Commissioners Meeting.

D. County Vehicle Title Policy (Location of Titles)

Eagan disseminated a draft resolution in the matter of establishing a policy governing Lancaster County motor vehicles titles (Exhibit C). He noted the policy dictates that the County shall be listed as the owner of record on the certificates of title for all County motor vehicles and the titles shall be delivered to the County Risk Manager, who will maintain a file of the titles and a motor vehicle fleet database. **NOTE:** The Board will take action on the resolution at the April 22, 2014 County Board of Commissioners Meeting.

DISCUSSION OF BOARD MEMBER MEETINGS

A. Parks and Recreation Advisory Board - Hudkins

Hudkins said discussion focused on the City Golf Program.

B. Lincoln Independent Business Association (LIBA) Budget Monitoring Committee - Smoyer

Smoyer said Rick Hoppe, Administrative Assistant to the Mayor, discussed the Mayor's half cent City sales tax proposal.

C. Parks and Recreation Futures Committee - Hudkins

Hudkins said he was unable to attend the meeting.

D. Region V Governing Board - Smoyer

Smoyer said the meeting was routine in nature.

E. Procurement Advisory Committee - Schorr

Schorr said they would like departments to each designate one individual to handle purchase orders. She said bid results are now available online and they would like to group capital purchases together to get the benefit of a volume discount.

4 PROFESSIONAL LIABILITY INSURANCE EXTENSION COVERAGE FOR COMMUNITY MENTAL HEALTH CENTER (CMHC) - Sue Eckley, County Risk Manager; Tom Champoux, UNICO Group, Inc.

Sue Eckley, County Risk Manager, and Tom Champoux, UNICO Group, Inc., discussed a quote to extend professional liability insurance coverage for the Community Mental

Health Center (CMHC) (Exhibit D). Eckley explained that even though CMHC is no longer in existence, there is a possibility that former clients could still file medical malpractice claims. Champoux explained that coverage was through a claims-made policy which provides coverage for a specific period of time with an extended reporting period of 90 days. The quote is to extend the coverage for an infinite period to cover anything that occurred during the policy period but was not reported until after the policy ended. It is a one-time premium.

Eckley noted that the Crisis Center is still covered under the policy. She said that coverage extends to September 30, 2014, adding the insurer has declined to quote a renewal.

Eagan asked whether negligence claims would fall under the Political Subdivisions Tort Claims Act, in which case additional coverage would not be necessary. Eckley agreed to check with the County Attorney's Office and will report back.

ADDITIONAL APPROPRIATIONS FOR FISCAL YEAR (FY) 2013-2014 - Dennis Meyer, Budget and Fiscal Officer

Dennis Meyer, Budget and Fiscal Officer, said he plans to send a memorandum to County departments relating to additional appropriations for Fiscal Year (FY) 2013-2014 and the cut-off for year-end expenditures (see draft in agenda packet). He remarked that departments budgeting correctly should need an additional appropriation to cover cost-of-living increases.

Schorr expressed concern that departments may try to spend any excess funds in their budget before the end of the fiscal year. Meyer said the Purchasing Department will notify him if departments are seeking to make large purchases.

5 AMENDMENT OF COUNTY VISITOR IMPROVEMENT FUND GRANT GUIDELINES - Julie Lattimer, Visitors Promotion Committee (VPC) Chair; Jeff Maul, Lincoln Convention and Visitors Bureau (CVB) Executive Director

Jeff Maul, Lincoln Convention and Visitors Bureau (CVB) Executive Director, discussed language that was added to the County Visitor Improvement Fund Grant Guidelines to help determine the economic impact of the grant project (see agenda packet):

- How will your project impact new visitor recruitment and lodging tax revenues?
- Estimated annual visitors: Local and Outside of Lincoln.

- Estimated annual economic impact of your facility and/or project based on lodging tax use (Using provided multipliers).
- Total economic impact based on formula.

Raybould questioned why large grant requests are not on a defined cycle for submittal and review like the smaller grant requests (\$10,000 or less). Hudkins said opportunities could arise that require a prompt response, citing the opportunity Lincoln was given to host Americruise for two consecutive years after the city that had been selected to host the event the second year withdrew. Maul said some of the larger grant projects have a sense of urgency, explaining applicants may be waiting for other funds to "get in line" before they are able to bring a project forward. Raybould said the Community Health Endowment (CHE) has a grant funding team that reviews large capital investment expansion projects that are "in the works" and provides conditions they must meet for funding, adding it is done on a very tight schedule. She felt a defined cycle would be beneficial for planning purposes. Smoyer, who serves on the VPC, said he supports the current system as tourism is "very fluid." Maul said the VPC is always cognizant of available funding and if it is a larger request, like the recent one submitted by the Lied Center, they will "drill down" to the true tourism aspect. Julie Lattimer, Visitors Promotion Committee (VPC) Chair, said Lincoln is experiencing vital growth and that is changing how a number of entities are funding their projects. She said what she likes about the current system is that the VPC's role changes according to the project. She said "sometimes we're the catalyst for the project, sometimes we're the ribbon on the gift and sometimes we're in the middle providing the foundation that allows them to go after more things." She felt limiting the grants to a cycle doesn't allow the VPC to fulfill all of those roles. Eagan said the VPC is developing a master plan of facility needs across the community that can serve as a guide for funding the larger requests. Lattimer suggested that she, Maul and Eagan review the facilities inventory to try to determine whether there are projects coming up that have not been submitted yet in order to be more proactive.

There was consensus to schedule a special presentation on the proposed amendments to the County Visitor Improvement Fund Grant Guidelines on the April 22, 2014 County Board of Commissioners Meeting agenda.

6 ADDITIONAL APPROPRIATIONS FOR FISCAL YEAR (FY) 2013-2014 - Dennis Meyer, Budget and Fiscal Officer

Item was moved forward on the agenda.

7 ACTION ITEMS

There were no action items.

8 CONSENT ITEMS

There were no consent items.

ADDITIONS TO AGENDA

A. County Engineering Issue

Pam Dingman, County Engineer, appeared and said she has visited all 16 County maintenance shops since taking office and discovered several of the buildings have been neglected for a number of years. She said emergency repairs are needed at the at the Kramer, Malcolm, Walton and 40th Street & Saltillo Road facilities (floor drain system repairs) and said she has received a quote of \$15,580.00 from Raymond Contracting. She said the Firth building needs structural repairs as soon as possible to address a crack, bowing wall and settlement of the foundation and four other buildings have serious cracks. Other buildings need repairs to grout and mortar. Dingman said she has asked Ron Bohaty, Shop Supervisor, to do a comprehensive evaluation of all the buildings so problems can be addressed and the buildings made safe. **NOTE:** The Board will take action on the emergency funding request at the April 22, 2014 County Board of Commissioners Meeting.

Dingman also reported that she was contacted by the City of Waverly regarding the possibility of moving the County maintenance shop building located in that community, as it has become unsightly. She said the County needs to be good stewards and said she would like to address the appearance of the County maintenance shop buildings in the future, noting they are Works Progress Administration (WPA) buildings. There was consensus to schedule a tour of the buildings.

Dingman said a number of upgrades were also needed because of regulations regarding fuel tanks. She said she discovered the County maintenance shop buildings were not being locked and mandated that they will be. Dingman said she also had code locks installed on the buildings which eliminated the need for automatic fuel tank shut-off valves on the outside of the buildings, a savings of \$12,000.

MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Gordon Kissel
Joseph D. Kohout

DATE: April 17, 2014

RE: Weekly Update on the 2014 Legislature

Please accept this as the thirteenth of your weekly reports for the 2014 Legislative Session. Today is the 60th and final day of the 2014 legislative session. There are no bills on the calendar today that affect the interests of Lancaster County. At the conclusion of the day, the Legislature will adjourn sine die, until January 2015. A review of the entire legislative session will be forthcoming.

2014 Lancaster County Legislative Priorities:

1. **Oppose Elimination of the Inheritance Tax:** As mentioned in previous reports, two measures eliminating the inheritance tax have been introduced. Senator Tom Hansen introduced LB 812, which would terminate the inheritance tax for those dying after December 31, 2015. In addition, Senator Tom Carlson introduced LB 960 which would make two changes to rates of inheritance tax – cutting, approximately, in half those in categories two and three (from 13% to 7% category 2 and from 18% to 9% those in category 3). The board has taken a position of opposition to both of these measures. Neither bill moved from committee this session and both will die on a procedural motion today.
2. **Support Medicaid Expansion under the Affordable Care Act:** Debate over LB 887 stretched over two days. Senator Kathy Campbell, the sponsor of the bill, brought a motion for cloture, which would have ended the filibuster and allowed a vote on the underlying legislation. The cloture motion failed, 27-21, with one senator not voting. Proponents needed 33 votes to advance the legislation. The bill will die on a procedural motion today.
3. **Monitor the Implementation of 2013 Neb. Laws LB561:** LB 464 was amended, and advanced to Final Reading on Monday morning. On Monday, an amendment eliminating the inclusion of services to persons between ages 18 and

21, which attached Senator Brasch's LB 1093 and staggered the implementation of the shift to juvenile courts was attached to this legislation. The bill – along with its A-Bill – were passed without opposition on April 9th. As of the drafting of this memorandum on April 16, we are still awaiting Governor Heineman's response to this bill.

4. **Eliminate the Responsibility of Counties to Pay HHS Rent – LB632:** The bill remains with the Government Committee. An attempt was made to advance the measure but there were not sufficient votes to advance the bill. We believe that the measure will remain in Committee for the duration of this legislative session. The bill will die on a procedural motion today.
5. **Monitor Adult Corrections Reform.** Senator Ashford offered an amendment this past week to LB907. The amendment re-wrote sections of LB907 such that the amendment did as follows: It allows the Commission on Public Advocacy to determine areas of legal shortages, instead of the Legal Education for Public Service and Rural Practice Loan Repayment Assistance Board as originally designated. The board can still make recommendations to the Commission on areas of shortage, however. Age of attorneys in an area is longer a consideration, capacity is substituted. The Nebraska Justice Reinvestment Working Group will now expressly not have the authority to allocate funds or make policy decisions for state agencies. It allows Working Group to form subcommittees. The language was tweaked so that the appointments to the working group shall be comprised of four members selected by the Governor, four members selected by the Speaker of the Legislature, four members selected by the Chief Justice of the Supreme Court, and four representatives of local governments selected jointly by the Governor, the Speaker of the Legislature, and the Chief Justice. The Governor, Speaker of the Legislature, and Chief Justice shall serve as co-chairpersons of the working group. This bill passed with an emergency clause, and without opposition on April 10. As of the drafting of this memorandum on April 16, we are still awaiting Governor Heineman's response to this bill.

LB 999 was also advanced to Final Reading. The amended version of LB 999 would create the a Correctional Mental Health Facility at the Hastings Regional Center, to be administered by the Department of Health and Human Services, to meet the long-term needs of mentally ill inmates in the correctional system and to provide alcohol and drug treatment for inmates who have drug or alcohol addictions. The Facility will have house approximately two hundred inmates. This bill passed without opposition on April 10. As of the drafting of this memorandum on April 16, we are still awaiting Governor Heineman's response to this bill.

2014 Other Legislation:

LB215 (Schilz) Change provisions relating to use of the County Visitors Promotion Fund. *This bill was approved by the Governor.*

POSITION: Support as amended.

LB925 (Coash) Provide for transfer of motor vehicle registration duties to county treasurers. *This is Treasurer Stebbings bill that would authorize counties to opt out of the DMV's motor vehicle registration program.*

POSITION: Support. Hearing was held on February 24, 2014 before the Transportation and Telecommunications Committee. The bill has not advanced. Last week, we provided a copy of the letter that Senator Coash sent to Rhonda Lamb, the Director of the DMV, asking that the forthcoming RFI includes the options that Treasurer Stebbing desires. The funding for that RFI was vetoed in the mainline budget adjustments but that veto was subsequently overridden by the Legislature. LB925 will die on a procedural motion today.

LB885 (Harr) Require the use of the income approach to value certain real property for tax purposes. *Introduced by Senator Burke Harr of Omaha, he indicated that this came out of some concerns he heard about practices in Lancaster County. There has been communication from County Assessor Agena and Senator Harr's office. Those in support of this bill include the Realtors, Developers, LIBA and others. This is something that according to supporters is being done to address a difference in how Lancaster County is valuing property versus how the other 92 counties are.*

POSITION: Monitor. LB885 was attached to LB 191 via AM2602 adopted on March 25, 2014. An amendment was adopted last week that placed a severability clause on the bill. LB 191 passed without opposition on April 10. As of the drafting of this memorandum on April 16, we are still awaiting Governor Heineman's response to this bill.

LB1092 (Dubas) Authorize issuance of highway construction bonds. *This bill would authorize the issuance of bonds under the Nebraska Highway Bond Act, not to exceed \$400m in principal and \$30m in annual debt service for a period of not more than nineteen years, in order to accelerate completion of the highway construction projects identified and to be identified for funding under the Build Nebraska Act. The bonds will be issued on the recommendation of the Department of Roads/. At least 25% of the proceeds the bonds will be used for construction of the expressway system and federally designated high priority corridors as determined by NDOR. The remaining proceeds will be used to pay for surface transportation projects of the highest priority as determined by NDOR. The bonds will be paid off by June 30, 2033. The bonds will be exempt from state income tax. The proceeds from the sale of the bonds will be deposited in the Highway Cash Fund for use pursuant to the Build Nebraska Act. If these bonds are issued, all motor vehicle fuel taxes, diesel fuel taxes, compressed fuel taxes, and alternative fuel fees related to highway use, motor vehicle registration fees, and other highway-user taxes which are collected by the state in the Highway Trust Fund are irrevocably*

pledged for the terms of the bonds issued after July 1, 2014, to the payment of the principal, interest, and redemption premium, if any, of these bonds as they mature and become due at maturity or prior redemption and for any reserves for such bonds. An amendment was offered at the hearing to transition the committed funds from the Highway Trust Fund to the Highway Cash Fund.

POSITION: Support. As previously reported, the bill was debated at General File and cloture invoked. The bill was debated on Select File this week and advanced to Final Reading with only 27 votes. The bill failed on Final Reading, gaining only 28 votes. Per the Nebraska Constitution, authorization for road construction bonds must garner 3/5 support of the Legislature, or 30 votes.

LB734 (Schumacher) Provide for deposit of public funds with credit unions. *Allows for public funds to be deposited in qualifying state and federally chartered credit unions, as well as banks. The hearing on this measure was held in late January. The proponents are trying to move the bill out of committee but have not been successful yet.*

POSITION: Support. This bill remains with the Committee, and it will die on a procedural motion today.

LB994 (Health & Human Services Committee) Change fees as prescribed for vital statistics. *Increases the amount that can be charged by Vital Statistics by \$5 per copy for a marriage certificate. Dan Nolte forwarded a request to include county fees as well. Larry Dix and I visited with Senator Campbell's office before the hearing and Corrie presented an amendment increasing the fee by \$5*

POSITION: Support as amended noted above. Senator Campbell stated that she would prefer that the bill move forward unamended. She has committed to bringing a bill that would raise the fees next year. The bill was passed on Final Reading last week, by an overwhelming margin. As of the drafting of this memorandum on April 16, we are still awaiting Governor Heineman's response to this bill.

LB661 (Krist) Provide for voter registration on the Secretary of State's website and use of Department of Motor Vehicle records. *Modifies the Election Act (Ch. 32) to required that the Secretary of State, along with the Department of Motor Vehicles develop and implement a registration application process which may be used statewide to register to vote and update voter registration records electronically using the Secretary of State's web site, by July 2015. An applicant who has a valid Nebraska motor vehicle operator's license or state identification card may use the application process to register to vote or to update his or her voter registration record with changes in his or her personal information or other information related to his or her eligibility to vote.*

POSITION: Monitor. The bill was signed by the Governor on March 31.

LB870 (Bolz) Adopt the Public Debt Recovery Program Act. *This bill would enact the Public Debt Recovery Program, which will be administered by the State Treasurer. The Program will create a set off of any public debt which is assigned to the program against a debtor's income tax refund, state lottery prize, state pay, state contract payment, unclaimed property, any other state payment due to a debtor. Public debt is defined within the statute as any liquidated amount due and owing any claimant which has accrued through assignment, contract, subrogation, court judgment, or operation of law, regardless of whether there is an outstanding judgment for such amount. The bill specifically excludes any debts owed to the University of Nebraska or the state colleges, amounts for child support, or delinquent property taxes. Each state agency, court, and political subdivision may assign a public debt of more than fifty dollars to the public debt recovery program, but only after making two attempts to notify the debtor, and the passage of 90 days. The State Treasurer can pay such amounts, and then determine if the debtor is entitled to any income tax refund, state lottery prize, state pay, state contract payment, unclaimed property, or other state payment. If so, the Treasurer will then send written notification to the debtor of an assertion of the rights under the Public Debt Recovery Program Act to all or a portion of the refund or payment. A debtor can contest the amount or validity of the set off, by making a hearing request to the State Treasurer within the prescribed period. After certification of the debt by the Treasurer, they will notify the Department of Administrative Services, which will deduct an amount up to the certified debt amount from the income tax refund, state lottery prize, state pay, state contract payment, unclaimed property, or other state payment due the debtor and transfer such amount to the Public Debt Recovery Program Fund. The State Treasurer will then notify the debtor of the completion of the setoff.*

This bill also creates a Public Debt Recovery Program Fund. The bill appropriates to the fund \$500,00 from the State Settlement Fund in fiscal years 2014-15 and 2015-16 and an amount equal to the cost and ongoing maintenance expense to interface with the JUSTICE System from the Supreme Court Automation Fund. The remaining funding for the Public Debt Recovery Program will be through General Funds until the program is self-sustaining through fees. At the end of any fiscal year, if the revenue in the fund from recovery fees exceeds 200% of the administrative cost of the public debt recovery program for that fiscal year, the State Treasurer must distribute an amount to each claimant equal to the portion of such excess amount determined by calculating the claimant's percentage of the total recoveries during the fiscal year and multiplying that percentage by the excess amount.

Lastly, the bill allows the Tax Commissioner to transmit information to State Treasurer for purposes of this act, without fear of criminal sanction.

POSITION: Support in concept. The commissioners submitted a letter in support of the bill with some potential changes to the bill. The bill has not yet advanced from the Committee. It is not likely to be debated this year. The bill will die on a procedural motion today.

LB881 (Watermeier) Change provisions relating to death, injury, or property damage to innocent third parties as a result of a police vehicular pursuit. *This legislation would amend NERS 13-911, which is a portion of the Political Subdivisions Tort Claims Act, and NERS 81-8,215.01, which is a portion of the State Tort Claims Act. The bill explicitly disallows a passenger in or on the fleeing vehicle from being considered an innocent third party if the passenger: (a) Enters into the vehicle without coercion knowing, or with a reasonable belief, that the driver of the vehicle is under the influence of alcoholic liquor or drugs; (b) Fails to take reasonable steps to persuade the driver of the fleeing vehicle to stop the vehicle; (c) Promotes, provokes, or persuades the driver to engage in flight from law enforcement personnel; (d) Is subject to arrest or sought to be apprehended by law enforcement personnel; or (e) Is engaged in any illegal activity which would itself give rise to an arrest. Note importantly, in case of death, injury, or property damage to any innocent third party proximately caused by the action of a law enforcement officer employed by a political subdivision or the state during vehicular pursuit, damages shall be paid to such third party by the political subdivision state employing the officer, per these statutes.*

POSITION: Monitor. The bill remains in Committee. The bill will die on a procedural motion today.

LB1094 (Davis) Change a fund transfer to the Property Tax Credit Cash Fund. *This bill would amend 2013, LB199, 2 section 7; to provide that the State Treasurer shall transfer \$138 million from the General Fund to the Property Tax Credit Cash Fund on or before December 15, 2014. Presently, the statute requires the Treasurer to transfer \$113 million. The bill remains in Committee, and will die on a procedural motion today.*

LB1086 (Pirsch) Transfer cash reserve funds to the Property Tax Credit Cash Fund. *This bill would amend NERS 84-612, to instruct the State Treasurer to transfer \$115 million dollars from the Cash Reserve Fund to the Property Tax Credit Cash Fund on or before December 15, 2014, and on or before December 15, 2015, on such date as directed by the budget administrator of the budget division of the Department of Administrative Services. The bill remains in Committee. The bill remains in Committee, and will die on a procedural motion today.*

LB669 (McCoy) Transfer cash reserve funds to the Property Tax Credit Cash Fund. *This bill would amend the Cash Reserve Fund (NERS 84-612), by*

requiring the State Treasurer to transfer \$85 million from the Cash Reserve Fund to the Property Tax Credit Cash Fund by the end of 2014.

POSITION: Monitor. The budget was finalized on March 24, 2014 and sent to the Governor on the same date. The Governor returned LB905 with \$65 Million in line-item reductions with a request that they utilize a portion of that to put more money in property tax relief. The Legislature overrode \$61 Million in vetoes – including more than \$7 Million in contingency funds at the Supreme Court for purposes of implementing LB561. The bills listed above will die on procedural motions today.
