Avery arrived at the meeting at 8:36 a.m.

**3 LEGISLATIVE UPDATE** - Gordon Kissel, Joe Kohout and Jonathan Bradford, Kissel/E&S Associates (Legislative Consultants)

Joe Kohout, Kissel/E&S Associates, presented a legislative update and legislative bills of interest report, noting the following (Exhibits A and B):

- The Governor vetoed Legislative Bill (LB) LB 610 (Change motor fuel excise taxes) and sent the bill back to the Legislature. Senator Smith has filed a motion to override the veto, which will be taken up at 1:30 p.m.

Kohout suggested Commissioners contact members of the Lancaster County Senate delegation prior to the vote and stress the importance of the bill.

- Efforts continue to find a bill that could become a "vehicle" for an amendment for the provision of LB 542 (Provide a sales tax exemption for purchases by county agricultural societies).
- Amendment to the mainline budget to increase to \$2,200,000 the amount going to the property tax credit fund.

Brief discussion took place regarding LB 605 (Change classification of penalties, punishments, probation and parole provisions, and provisions relating to criminal records and restitution and provide for a special legislative committee). Schorr asked whether there has been any clarification on what statistics the County will need to track. Joe Kelly, County Attorney, appeared and said there are two categories required by statute: 1) Probation revocations; and 2) Individuals who have been sentenced to jail. He said he and Mike Thurber, Corrections Director, will track other data they feel is relevant to discussion of the impact of the new law. Kelly added the County will need to show how programs it has instituted have reduced jail beds in order to access the grant funds.

Avery exited the meeting at 8:49 a.m.

**4 VILLAGE OF DENTON MAINTENANCE STATION** - Pam Dingman, Lancaster County Engineer; Ken Schroeder, Lancaster County Surveyor; Jon Juricek, Chair, Denton Village Board

Ken Schroeder, Lancaster County Surveyor, disseminated a plat map and aerial photographs showing the maintenance shop the Village of Denton constructed over 20 years ago is on County-owned land (Exhibits C and D). **NOTE:** The Village of Denton owns the adjoining tract. He said County Engineering discovered the problem a couple of years ago while doing an inventory of property. Schroeder said he contacted the Denton Village Clerk to see if the County had granted the Village of Denton a lease or easement and the Clerk reported back no one had a recollection of that occurring. He said the matter was left unresolved and they need direction on how to proceed.

Pam Dingman, Lancaster County Engineer, said they need to find a way for the Village of Denton to take ownership, citing liability concerns.

Avery returned to the meeting at 8:58 a.m.

Hudkins asked whether future liabilities could be assigned if the County granted the Village of Denton a long-term lease.

Kerry Eagan, Chief Administrative Officer, said the Board needs to determine whether the County has a purpose for maintaining ownership of the property. If not, the County could declare it surplus and proceed through that process. He said the Village of Denton could also file an eminent domain action against the County to acquire the land, which would take it out from under the public process, and the two entities could negotiate a sale. Eagan added there are federal statutes that address liability for environmental degradation and said if the ground is already polluted, the County is jointly, and severally liable with any other owners, past, present and future. The only way to limit that liability is by agreement.

Jon Juricek, Chair, Denton Village Board, said the Village of Denton would like to come to an agreement so they can take ownership of the property.

Hudkins asked whether there is a need to retain ownership for future expansion of the County Maintenance Shop, which is located north of the property, or for storage of aggregate materials. Dingman said they could add on to either the east or west ends of the maintenance shop building and said offset and setback requirements are details that could be worked out in the agreement. She added she believes the County should refrain from storing large piles of aggregate and having industrial operations inside the small communities, whenever possible.

Schroeder said the County might also want to grant the Village of Denton an easement so they can access the front of their building.

### **ADDITIONS TO THE AGENDA**

**MOTION:** Schorr moved and Hudkins seconded to add general discussion regarding a County bridge on Southwest 91<sup>st</sup> Street, north of Yankee Hill Road, to the agenda. Avery, Hudkins, Schorr, Wiltgen and Amundson voted aye. Motion carried 5-0.

Dingman disseminated photographs of the bridge which is the only access to the Village of Denton's well field (Exhibit E). Traffic is minimal, approximately six cars per day. She said the bridge is in poor condition and is currently on the County's One and Six Year Road and Bridge Improvement Program. Dingman said it would be an expensive bridge to replace and believes it could be modified to be a box culvert so that it would only need to meet a 25-year storm design. She said she has asked the Village of Denton to consider sharing the cost of the box culvert because the primary

use is theirs. Juricek said the Village of Denton is agreeable to assisting with the cost provided the cost is specified. Dingman said she would like to do an engineering study to determine what size of box culvert would be needed. She estimated the cost of the study at \$6,000 to \$8,000.

Schorr asked whether there are plans for additional development in this area which would increase traffic. Juricek said most of the ground is in the floodplain.

**MOTION:** Hudkins moved and Wiltgen seconded to direct the County Engineer to work with the Village of Denton to pursue the recommended project. Wiltgen, Avery, Hudkins, Schorr and Amundson voted aye. Motion carried 5-0.

## D. Region V Services Executive Meeting - Wiltgen

Wiltgen said they met with members of the Region V Services Management Team, outside the presence of C. J. Johnson, Region V Systems Administrator. They also evaluated Johnson's performance.

## 5 BOARD OF EQUALIZATION (BOE) UPDATE - Tom Kubert, Great Plains Appraisal Company (Referee Coordinator); Dan Nolte, Lancaster County Clerk; Cori Beattie, Chief Deputy Lancaster County Clerk

Cori Beattie, Chief Deputy Lancaster County Clerk, provided a brief overview of the upcoming property valuation protest process. She highlighted the filing time line (June 1-30), electronic filing (available through the County Clerk's website) and referee hearings (tentatively scheduled for June 15-July 23) at the Lancaster Event Center (4100 North 84<sup>th</sup> Street). It was noted 50-60% of protests were filed electronically the past two years.

There was consensus to schedule final Board of Equalization (BOE) action on August 6<sup>th</sup> at 1:00 p.m. **NOTE:** The process must be completed by August 10<sup>th</sup>.

Tom Kubert, Great Plains Appraisal Company (Referee Coordinator), noted there was a county-wide revaluation this year and said protests historically range between 6,000 to 10,000 in such a year.

Kubert stressed that data received during the process helps them to "fix problems" earlier in the BOE process and reduce the number of appeals to the Tax Equalization and Review Commission (TERC). He said Legislative Bill (LB) 384, which was passed during the 2011-2012 Legislative Session, requires that property owners be afforded the opportunity to meet in person with the County Board of Equalization, or a referee appointed under State Statute §77-1502.01, to provide information relevant to the

protested property value. Kubert noted the Board decided in previous revaluation years to not hold some of the hearings in person and felt that decision increased the County's costs because many property owners appealed to TERC.

Hudkins noted the County Assessor's Office held informal hearings earlier this year. Kubert said those were also required under LB 384 and said they help to reduce the number of formal protests that are filed in June.

In response to a question from Amundson, Kubert said the County's website (<http://www.lancaster.ne.gov>) and the Policies and Procedures for Property Valuation Protests (see Page 17 in the agenda packet) list specific information that is relevant to the value. Amundson suggested that information also be provided in the letter to the property owner/appellant that files a protest (see Page 23 in the agenda packet).

Kubert said the Board needs to make several decisions regarding the process. He noted property owners/appellants have had an opportunity to testify in person before the BOE during "slow years" but said there isn't time to allow that during a revaluation year. Kubert said they could submit additional information they would like considered in written form. He said that extends the process and said that second appeal step is not required. Hudkins asked whether that step has been productive. Kubert said he believes it is and recommended it be retained.

Hudkins asked whether the referee hearings can be started earlier. Dan Nolte, County Clerk, estimated that half of the protests are filed the last week. The deadline for filing is statutory and cannot be adjusted.

Kubert noted the County Assessor has taken steps to help hold down the number of protests: 1) Holding informal hearings; and 2) Working to resolve issues involving vacant lots and subsidized housing.

Avery asked what happens in subsequent years to the properties that have had successful appeals. Kubert said the value may "rebound" if the County Assessor does not believe the reduction was warranted. In some cases, the new value is held until the next revaluation, then placed back into the model to determine the value. Eagan said it is the property owner's obligation to protest every year they want an adjustment. Avery did not feel that was clear. Kubert said that is addressed in the Policies and Procedures and said letters are sent to property owners who have cases pending before TERC reminding them any relief they might receive for the previous year's appeal will not apply to the current year unless a separate protest is filed (see Page 21 in the agenda packet). He estimated there are 500 cases still at TERC.

Kubert said some issues are coming forward that will likely increase the number of protests filed this year, such as recent flood damage. He explained the assessment date is January 1, 2015 and said damage from floods that occurred during May, 2015 cannot be considered in setting the 2015 assessment. Any residual impact remaining at the end of the year for January 1, 2016 would then be considered for 2016. Kubert said another issue is that the State has increased agricultural values 8%. He said it appears the County and State are using the same methodology but are looking at different sales. The State went with their opinion at the TERC level in establishing the values. Kubert said the Board does not have the ability to do a class change and property owners who do not protest will not receive a reduction if the Board decides the 8% should be removed. He outlined three options: 1) Agree with the State and do a standard review; 2) Reduce values by 8% and do a standard review; or 3) Ask the referee coordinator to do a study of uninfluenced agricultural sales and make a recommendation. Kubert estimated the cost of a study at \$5,000, explaining it would be dependent on the depth he would need to go to find uninfluenced sales.

Schorr asked whether the number determined by a study would be applied to all agricultural land properties. Kubert said the only properties under consideration would be those that were protested.

Amundson asked Kubert to prepare a list of pros and cons for each course of action.

There was Board consensus to: 1) Send letters to property owners with cases pending before TERC informing them they need to file another protest if they want to protect their position for 2015; 2) List specific types of documents that might be helpful to bring to the referee hearing in the letter that is sent to property owners/appellants that file a protest; and 3) Allow additional information to be submitted in writing between the referee hearing and final action.

Kubert noted the agreement with Great Plains Appraisal Company to provide the services of a referee coordinator to coordinate the referees who will hear all property tax protests for the 2015 tax year before the Board of Equalization will come before the Board at the May 19<sup>th</sup> County Board of Commissioners Meeting. Upon approval, they will begin to recruit referees.

**6 EXECUTIVE SESSION (SECURITY ISSUE, PENDING LITIGATION, AND LABOR NEGOTIATIONS) - Sheli Schindler, Youth Services Center (YSC) Director; Doug Cyr, Deputy County Attorney; Mark Christensen, Cline Williams L.L.P.; Doug McDaniel, Lincoln-Lancaster County Human Resources Director**

The Chair restated the motion for the record.

**MOTION:** Schorr moved and Hudkins seconded to exit Executive Session at 11:17 a.m. Hudkins, Schorr, Wiltgen, Avery and Amundson voted aye. Motion carried 5-0.

**7 VIDEO CONFERENCING** - Steve Henderson, Chief Information Officer, Information Services Information Services (IS); Chad Dalton, Microcomputer Support Specialist II, IS; Dennis Meyer, Budget & Fiscal Officer

Dennis Meyer, Budget and Fiscal Officer, noted the court video conferencing project was funded with \$200,000 from the Keno Fund and \$25,000 from the State and said there is approximately \$165,000 remaining from those funds.

Chad Dalton, Microcomputer Support Specialist II, Information Services (IS), said County Court uses the Polycom video conferencing equipment that was installed in one of its courtrooms throughout the entire day. The cost of that unit was \$24,000. The video conferencing equipment used by the State has been installed in one of the District Court courtrooms but has not been used as yet. That equipment ranges in cost from \$18,000 to \$20,000. District Court Judge Steven Burns has indicated his goal is to have four more video conferencing rooms for District Court, two for Juvenile Court and one more for County Court, as a backup to their main unit. He said Juvenile Court is currently using borrowed video conferencing equipment on a mobile cart for followup meetings that are held with juveniles, their parents, and attorneys, before they are released. Dalton said there is currently one video conferencing room at the Lancaster County Adult Detention Facility (LCADF) that is used for arraignments and other hearings but Judge Burns has also secured funds from the State to equip the facility with two mobile carts.

Steve Henderson, Chief Information Officer, Information Services (IS), said a balance in capacity between the courtrooms and LCADF is an important consideration.

## 10 ADMINISTRATIVE OFFICER REPORT

### A. Records Management Plan of Action

Eagan indicated there may be an offer from Hewlett Packard (HP) TRIM to reduce their contract to 125 software licenses (see May 7, 2015 Staff Meeting minutes). He said doing this would remove the Records Center from the program. Eagan said an upgrade of the software is also planned and was included in the IS budget. He said the cost of the upgrade will be dependent on how much assistance is provided by Information Services (IS).

Thorpe noted there is a retention schedule for County webpages that is not being met and said that will be automatic with the update. She said technical changes will end with the new software version. Thorpe also clarified that there is no cost to individual departments for using TRIM. All costs related to TRIM are through the County Board's budget.

Amundson disseminated a letter from Vince Mejer, Purchasing Agent, that states it is his opinion that a request for proposal (RFP) is not needed (Exhibit F). Mejer stated OnBase enterprise content management (ECM) software is a "total package" and TRIM is essentially records management. He went on to question why some County departments are not using TRIM. Amundson said she investigated how the County uses TRIM and it is her opinion that it is not a very robust system and is not used actively by many in the County. She said she agrees with Thorpe that a professional administrator is needed but does not know if TRIM is the product the County should use. Amundson estimated the cost of a TRIM administrator at \$129,000 and said that equates to 300 OnBase users. She said OnBase provides a range of capabilities and is customizable to each department.

Eagan said the fundamental question is whether TRIM is meeting the County's needs. He said Amundson has done an investigation but has not indicated who told her TRIM was inadequate. He said the Board is being asked to determine the system is inadequate based on a secondary source, although he has not seen any evidence that TRIM is not meeting the County's records management needs, as specified in the RFP.

Amundson stated the County has 104,000 records in TRIM with 57 users (15 are daily users). Eagan responded that information is incorrect. He said he has deep concerns regarding the process and asked whether Amundson spoke to Thorpe, who serves as the TRIM Administrator, at length about the product and how it is administered.

Schorr noted three goals were identified when TRIM was selected: 1) Electronic records management; 2) A Records Center; and 3) Applications for individual departments. She said only one has been successful and questioned whether the product is meeting the County's needs long-term. Schorr said she believes it makes

sense to investigate OnBase, which is being utilized by the City and State. She also pointed out the Courts are not able to use TRIM to retain their records because they are on the State's Judicial Users System to Improve Court Efficiency (JUSTICE) System.

Thorpe said the Board has never told County departments that they must use TRIM. She said elected officials have the option to use the system if they wish. Wiltgen asked if they can use the RFP the State provided and get OnBase. Thorpe said she does not know. Eagan said elected officials have some leeway but the County would have to pay for it. He said the second goal really isn't necessary for on-going electronic records management, adding the need for the Records Center decreases as more documents are stored electronically.

Wiltgen pointed out there will be significant transition costs if the County moves to OnBase. He added his concern has been whether the County has been paying for services it doesn't need.

Amundson said she doesn't believe Thorpe's primary function is to work with TRIM. Eagan said the County would still need an entity like Software Solutions DataBank IMX to do the configuration with OnBase and said that cost was \$260,000 for City Public Works & Utilities. Someone will also be needed to do the records plan configuration.

Schorr said one of her concerns is that this has been operated under the County Board "umbrella" and said she believes it would be an appropriate time to move the responsibility for electronic records management to the County Clerk. Nolte said he has an open position in his office and said the job description could be modified to a hybrid position that included electronic records management duties. Schorr indicated she would also like it to have a training component. Eagan said someone who understands the technical aspects of the system is crucial.

Thorpe stressed that TRIM is not a "broken" product and said if the Board wants to look at different products, it needs to hire a consultant and get an objective analysis of the situation and whether it is cost effective to make a change.

Avery asked Beattie whether she believes TRIM is inadequate. Beattie said she does not, adding she feels it fully meets the needs of the County Clerk's Office. Avery questioned why replacing it is even being discussed if the product is not "broken." Schorr said because it is not being used. Avery said in his opinion that is the Board's fault.

**MOTION:** Schorr moved and Hudkins seconded to request that the County Clerk begin development of a job description, in consultation with the Human Resources Department, for an electronic records manager/administrator with the intent of filling that position in the fall of 2015.

Thorpe and Commissioners Schorr and Wiltgen offered to assist with that process.

**ROLL CALL:** Avery, Hudkins, Schorr, Wiltgen and Amundson voted aye. Motion carried 5-0.

**MEMORANDUM**

TO: Lancaster County Board of Commissioners

FROM: Gordon Kissel  
Joseph D. Kohout  
Jonathan G. Bradford

DATE: May 14, 2015

RE: Weekly Update on the 2015 Legislature

---

Please accept this as the thirteenth of your weekly reports for the 2015 Legislative Session. Today is day 80. Today is the last day for the budget to be sent to the governor for his signature or line item reduction. Too, today is the last day for individual senators to introduce interim study resolutions.

I would note that LB577 – a bill to allow counties to regulate peddlers, hawkers, and solicitors is on the agenda for potential action.

Below, please find legislation of particular note to Lancaster County

**2015 Lancaster County Legislative Priorities:**

1. **Property Tax Relief:** The Board has identified several potential options under this priority.

**RESTORE STATE AID TO COUNTIES:**

**LB 609 – Adopt the Nebraska Bridge Repair Act**  
**Introduced by Senator Jim Smith of Papillion**  
**Hearing Date: March 9, 2015**  
**Transportation & Telecommunication**

LB 609 creates a mechanism for priority of bridge repairs in Nebraska which includes a process whereby projects are prioritized by a commission including some county commissioners. Engineer Dingman has expressed a concern about the design-build as well as the level of bureaucracy that the bill will provide.

POSITION: OPPOSE. The hearing on this measure was March, 9, 2015 before the Transportations and Telecommunication Committee. Engineer Dingman testified in opposition to the bill. Senator Smith indicated that he plans to hold the bill for discussions in the interim.

**LB 610 – Change motor vehicle excise taxes.**  
**Introduced by Senator Jim Smith of Papillion**  
**Hearing Date: March 6, 2015**  
**Revenue**

Increases the gas tax by \$.015 over the next four years to a total of \$.06.

POSITION: SUPPORT. The hearing on this measure occurred Friday, March 6, 2015. There was a significant amount of support for the measure. Engineer Dingman testified on behalf of Lancaster County in support. The bill was advanced by the Revenue Committee and prioritized by Sen. Curt Friesen of Henderson. The bill advanced to Select File on April 1, 2015. The bill advanced to Final Reading on April 13, 2015. Last Thursday, the Legislature passed the bill with 26 votes in support. We have attached the Final Reading vote for your reference. Within 2 hours, the Governor vetoed LB610 and sent it back to the Legislature. Today at 1:30pm, Senator Smith will move to override that veto. We remain confident about the override.

**LB 626 – Create a fund and change motor vehicle fees and taxes and their distribution.**  
**Introduced by Senator Kathy Campbell, Lincoln**  
**Hearing Date: March 9, 2015**  
**Transportation & Telecommunication**

Is intended to increase the registration fee for vehicles and move an amount into a Bridge Bank which will be used to repair bridges throughout Nebraska.

POSITION: MONITOR. The hearing on this measure was on March 9, 2015 before the Transportation and Telecommunication Committee. Similar to LB609, Senator Campbell offered the bill to the committee to have the committee potentially use the bill for a roads package.

**LB 633 – Appropriate funds for state aid to municipalities and counties.**  
**Introduced by Senator John Stinner, Gering**  
**Hearing Date: March 18, 2015**  
**Appropriations**

LB 633 appropriates \$20,000,000 to counties and \$20,000,000 to cities for infrastructure projects for one year.

POSITION: SUPPORT. The hearing on this measure occurred yesterday. A significant of support was registered before the committee including NACO, the City of Lincoln, the City of Omaha, and Pam Dingman on behalf of Lancaster County. The Appropriations Committee chose not to fund this at any level because of the potential passage of LB610.

**OPPOSE ELIMINATION OF THE INHERITANCE TAX:**

No legislation was introduced this year that would eliminate the inheritance tax

**ELIMINATE UNFUNDED MANDATES:**

*I would note for each of the bills under this section, this legislation is not likely to move in the current legislative session.*

**LB 105 - Change Provisions relating to payment of fees and costs associated with deaths of incarcerated persons and grand juries**  
**Introduced by Senator Dan Watermeier, Syracuse**  
**Hearing Date: February 12, 2015**  
**Government**

LB 105 would change provisions relating to the payment of fees and costs associated with the deaths of incarcerated persons and grand juries when it relates to the state. State of Nebraska would be responsible for payment of juror when the individual in question died by unlawful means while serving at a state facility. An autopsy done by the county coroner of that individual shall be charged back to the state.

POSITION: SUPPORT. The hearing on this bill was on Thursday February 12<sup>th</sup>, 2015. Mr. Eagan testified on behalf of Lancaster County. Those in support included NACO. No one appeared in opposition. The committee did advance the measure with an amendment attached. We have provided that amendment with a previous report.

**LB 427 – Provide for payment of probation office cost by the state**  
**Introduced by Senator Mike Groene, North Platte**  
**Hearing Date: February 29, 2015**  
**Government**

This bill allows for the state to pay the cost of probation offices and those facilities performing in their official capacity. Actual and necessary expenses shall be paid. As Prior to July 1, 2015, counties providing space for probation services,

may negotiate lease arrangements. Upon the close of business of June 30, 2015, the county shall no longer provide office and facilities to probation

POSITION: SUPPORT. The hearing on this bill was on Thursday, January 29, 2015. Those appearing in support included Joe Hewgley from the Lincoln County Board of Commissioners, Larry Dix with NACO, Mike Kelley representing the Douglas County Board of Commissioners and Kerry Eagan representing this board. There was no opposition to the bill. An amendment prepared by NACO in consultation with Douglas and Lancaster County to limit the legislation to only cover rent which will limit the fiscal impact to approximately \$4 million.

**LB 341 – Provide requirements relating to health benefit plan coverage for insureds in jail custody.**

**Introduced by Senator Sara Howard, Omaha**

**Hearing Date: March 9, 2015**

**Banking**

**DOUGLAS COUNTY PRIORITY**

LB 341 states that an insurer may not cancel coverage or deny reimbursement for services covered by the plan for an individual in jail. LB 341 allows for reimbursement of a political subdivision by the insurer for services covered of an individual in custody. Coverage can be denied if the injuries occurred as a result of violation of law.

POSITION: RECOMMEND SUPPORT. The hearing on this bill was on March 9, 2015. Douglas County Board Commissioner Mary Ann Borgeson, Mr. Mark Foxall, Director of Corrections for Douglas County and Elaine Menzel, NACO all testified in support. No opponent testimony and Eric Dunning for Blue Cross Blue Shield testified in a neutral capacity. The bill is still in committee.

#### **RAISE COUNTY FEES:**

**LB 88 – Raise marriage license fees**

**Introduced by Senator Kathy Campbell, Lincoln**

**Hearing Date: January 21, 2015**

**Judiciary**

As introduced and advanced by the Committee, the bill would raise marriage license fees to \$50 from \$15 and certified copies from \$6 to \$16. An amendment was adopted on General File that capped the fee at \$25,

POSITION: SUPPORT. This bill was advanced on a near-unanimous vote by the Judiciary Committee including three Lancaster County Senators – Senators Coash, Morfeld & Pansing Brooks. Dan Nolte did a great job testifying on behalf of Lancaster County. Senator Chambers

began to filibuster the bill. An amendment had been agreed to by Senators Campbell and Bill Kintner of Papillion that would change the language in the bill so that the county board can set the rate in a range between \$30 and \$50 and certified copies be \$16. However concerns were raised on this methodology due to consistency across the state. Senators Campbell and Chambers agreed to an amendment on LB88 that would raise fees to \$25. The amendment was adopted the bill advanced to Select File. The bill was debated last week on Select File. After conversations on the floor and after concerns were raised about continued debate and potential loss of votes, an agreement was reached to amend the bill to reflect a \$9.00 fee for certified copy. The bill advanced to final reading. The bill was presented to the Governor on March 6, 2015. The Governor signed the bill on March 12, 2015.

**SUPPORT ADEQUATE APPROPRIATIONS FOR IMPLEMENTATION OF LB561:**

We continue to monitor all efforts in this area.

**2. Support Medicaid Expansion under the Affordable Care Act:**

**LB 472 – Adopt the Medicaid Redesign Act.  
Introduced by Senator Kathy Campbell, Lincoln  
Hearing Date: February 25, 2015  
Health and Human Services**

LB 472 sets out to redesign Nebraska's Medicaid program with a specific plan. LB 472 creates the Medicaid Redesign Task force to review the Medicaid program and provide recommendations. LB 472 allows DHHS to work with the federal government to create a coverage plan. An estimated 1.8 billion in funds would be returned to Nebraska's economy from now until 2020. The Governor and DHHS would design and implement a Nebraska plan. The bill would ask that enrollees to contribute 2% of their income, unless active in a wellness program.

**POSITION: SUPPORT.** The hearing on this bill was on February 25, 2015. Commissioner Schorr testified in support on behalf of Lancaster County. The bill advanced to General File with a committee amendment that rewrites a section regarding composition of the Task Force. The debate on this measure occurred last Wednesday and after 3 hours of debate, the Legislature bracketed LB 472. By way of reminder, the only record vote was on adoption of the committee amendment. Those members of the Lancaster County delegation voting in support were: Baker, Bolz, Campbell, Haar, Hansen, Morfeld, Pansing Brooks. Those who voted not to adopt the committee amendment were: Coash, Ebke. The bill will not come up again this year.

3. **Address Lancaster County Obligations under the 300,000 population threshold.** As mentioned previously, this legislation was drafted at our request for potential introduction. Once the bill was drafted it became very clear that a significant number of sections were opened up. There was a concern raised about the diversity of sections that were being opened up as well as the fact that it may implicate some of Douglas County's thresholds. In discussion with staff, it was determined to take some time to go through the draft and spend some analyzing the multitude of sections opened up. Senator Hansen has introduced LR 196, on April 20, 2015.
4. **Eliminate the Responsibility of Counties to Pay HHS Rent:** LB61 was heard before the Government, Military & Veterans Affairs Committee. Mr. Eagan testified on behalf of Lancaster County. Those joining in support included Commissioner Mary Ann Borgeson on behalf of Douglas County, Dick Clark with the Platte Institute, Colby Mach with LIBA, Larry Dix with NACO and Fred Uhe with Sarpy County. Those opposed included Acting CEO of HHS Dr. Joseph Acierno. This bill, like the other unfunded mandate bills, are currently held in Government Committee.
5. **Amend Mental Health Commitment Act / Funding for Community Based Sex Offender Treatment.** After discussion regarding the size of this request as drafted - \$7.5 Million - it was determined that Lancaster County should make a request of the Appropriations Committee at their hearing. The thought is that the complete picture of the LR424 task force recommendation - the prison review - are not complete and this could be a part of that broader conversation.

Deputy Administrator Gwen Thorpe testified on behalf of Lancaster County and asked the committee to appropriate \$250,000 to fund Counseling Affiliates. Too, Joe Nigro has visited directly with members of the Appropriations Committee to fund not only this \$250,000 but also \$100,000 for a pilot mental health court in Lancaster County. The committee re-appropriated \$2.5 million for FY 2015 - 2016 and appropriated \$2.5 million in General Funds for 2016 - 2017 into behavioral health aid. They did not include the \$250,000 to fund Counselling Associates however there is a pot of one - time money of \$500,000 that is available to the Regions for one - time costs. Today, the budget will be sent to the Governor. Also, the following bill is of note on this issue as well:

**LB 592 - Change provisions relating to corrections and parole and mentally ill offenders**  
**Introduced by Senator Kate Bolz of Lincoln**  
**Hearing Date: February 20, 2015**  
**Judiciary**

LB 592 is one of six legislative bills introduced this session to address issues raised by the Interim Study report 424. LB 592 adds "personality disorder" to the definition of a mentally ill. The bill creates a clear separation of independence between the Department of Corrections and Pardons board when determining the treatment of inmates. Department of Corrections shall be responsible for an inmate while in confinement and Pardons board shall address the re-entry back to the general public. LB 592 adds a clean-up measure to the Sex Registry by

adding “personality disorder” to the definition of mentally ill. The hearing on this bill was February 20, 2015. While the bill was not advanced on its own, the provisions of this bill have been included as part of the Committee Amendment to LB 598. That amendment has been forwarded to Mr. Eagan.

6. Monitor Adult Corrections Reform. We will continue to monitor introductions for legislation that affects adult corrections reform.

**LB 119 – Change where certain sentences of imprisonment may be served**  
**Introduced by Senator Paul Schumacher of Columbus**  
**Hearing Date: 2/12/15**  
**Judiciary**

The Nebraska Criminal Code at Neb. Rev. Stat §28-105 sets out penalties for the various classes of felonies which range from Class IV, with the least severe penalty, to Class I, with the most severe. Class IV and Class IIIA felonies have maximum penalties of 5 years imprisonment with no minimum sentences or fines. Section (2)(a) of §28-105 requires sentences of imprisonment of one year or more for convictions of Class IV and Class IIIa felonies be served in a State prison facility and sentences of less than one year be served in the county jail.

All sentences of imprisonment for classified felonies and sentences of more than 1 year and any lesser sentence shall be served concurrently or consecutively with such sentences. Sentence of 1 year or less may be served in a county jail.

Quoting from the fiscal note, “In the past 12 months Lancaster County has sent 268 felony 3,3A and 4 offenders to the Nebraska Department of Correctional Services. We are assuming the upper sentence level of these inmates is not included in this impact statement. Knowing inmates are credited for time served in a pre-trial capacity, and accrue good time, we feel we would add 59 inmates per day to our average daily population. By using an average cost of \$94.00 per day the impact to our FY15, would be approximately \$2,000,000. With this potentially growing population, we would be concerned our bed capacity would be limited in the following years. The County would be hard pressed to find available bed space for pre-trial offenders.”

POSITION: OPPOSE. The hearing on this bill was on February 12<sup>th</sup>, 2015 before the Judiciary Committee. Mike Thurber testified in opposition on behalf of Lancaster Co. No one appeared in support.

7. Retirement Adjustment. LB126 signed by the governor on February 26, 2015.

**Other Legislation:**

1. LB 374 - Direct transfers from the State Recreation Road Fund  
Introduced by Senator Ken Haar of Malcom  
Hearing Date: March 12, 2015

**Appropriations Committee  
Engineer Dingman Discussed at January 29, 2015 Meeting**

The bill would cap the amount in the State Recreation Road Fund at \$15 Million and move the amount greater than that to Game and Parks State Park Improvement and Maintenance Fund.

POSITION: Engineer Dingman testified in support of this legislation last Thursday. The bill is held in Committee. However, under LB661 the Appropriations Committee did cap the fund at \$14 million and transferred approximately \$700,000.

- 2. LB 398 – Exempt all tangible personal property from property tax  
Introduced by Senator Burke Harr of Omaha  
Hearing Date: March 5, 2015  
Revenue**

This bill sets forth that beginning January 1, 2017, all tangible personal property shall be exempt from property tax. The Property Tax Administrator shall prepare a report based off of the list. The report is due to the Clerk of Legislature before December 31, of each year.

POSITION: NO POSITION. Scott Gaines has raised a concern about this legislation as there may be a sizable cost associated with performing this responsibility.

- 4. LB 542 – Provide a sales tax exemption for purchases by county agricultural societies  
Introduced by Senator Burke Harr of Omaha  
Hearing Date: March 6, 2015  
Revenue**

The purpose of Legislative Bill 542 is to provide a sale and use tax exemption outlined in state statute 77-2704.15 for a “county agricultural society”.

POSITION: SUPPORT. The hearing on this measure was on last Friday. Testifiers included Amy Dickerson, Steve Kruger, Alan Wood and Commissioner Amundson. The bill was advanced unanimously by the Revenue Committee. There are 4 bills that appeared on yesterday's agenda that could become vehicles for an amendment for the provision of LB542. We did attempt to work with Senator Schilz's office for a potential amendment to LB329 – the agri-tourism bill. But, Senator Schilz was uncomfortable with the divergence from the subject matter.

5. **LB 13 – Change Community-based Juvenile Services Aid Program provisions**  
Introduced by Senator Bob Krist of Omaha  
Hearing Date: February 26, 2015  
Judiciary

LB 13 states 10% of the annual GF appropriation to the community-based Juvenile Services Aid Program shall be set aside for the development of a common data system at the University of Nebraska at Omaha, Juvenile Justice Institute, to assess the effectiveness of community-based Juvenile Services Aid program.

In conversations with Senator Krist, he has indicated that he intends this to be a one-time earmark not an ongoing one. We previously reported that the Appropriations Committee has included \$7.5 million in funding for 2015-16 and \$10 million in funding for 2016-17. In the final budget, we noticed that the Appropriations Committee funded this program at \$7.0 million per year.

POSITION: NEUTRAL. The bill advanced with an amendment we provided with last week's report which embodied changes suggested by multiple groups including Lancaster County. The language from LB13, as amended, was amended into LB265 via an amendment offered by Senator Krist - AM1014.

6. **LB 15 – Provide additional powers and duties for guardians ad litem**  
Introduced by Senator Bob Krist of Omaha  
Hearing Date: February 26, 2015  
Judiciary

LB 15 states that a guardian ad-litem (GAL) is to receive required training required by the Nebraska Supreme Court. GAL is allowed to review and receive records/court plans prepared by the DHHS pertaining to the juvenile. GAL shall meet with the juvenile, upon the juvenile's request. LB 15 was introduced as a response to the guardian ad-litem contracting situation in Douglas County. The committee advanced the measure with an amendment which included (a) a requirement that the Supreme Court adapt a court rule on GALs; (b) to clarify how these contracts work/their transparency; (c) provisions that are currently contained in LB 265.

POSITION: NEUTRAL. The bill was advanced to General File with the amendments provided in last week's report. Joe Nigro testified in support on behalf of the county. The bill advanced to Select File after adoption of the

committee amendment. Joe Nigro, representatives of Legal Aid and Joe Kohout met with Senator Krist to develop an agreement that would eliminate any financial impact to Lancaster County. That amendment was adopted on March 30, 2015. On Tuesday, Senator Krist attached AM1067 to the bill. Joe Nigro submitted a fiscal note demonstrating AM 1067 had no fiscal impact to the county. The bill was signed by the Governor on April 29, 2015.

*I would note that for items 7 – 10 under this section that the Appropriations Committee included almost \$ 60 million into additional Property Tax Credit Cash Fund and an amendment was adopted to the mainline budget to increase this to \$202,000,000 in both FY2015-16 and FY2016-17.*

POSITION: NO POSITION. This is a placeholder bill for legislation that may come from the LR434 recommendations. This measure was heard in committee on March 4, 2015.

*I would note that items 15 & 16 remain a high priority for Governor Ricketts, and the administration continues to work these measures. During consideration of LB 419 & LB 414, senators offered amendments to amend the provisions of LB 350 into both LB414 and 419. Too, there does not appear to be sufficient support for these several measures inside of the Revenue Committee.*

18. **LB 605 – Change classification of penalties, punishments, probation and parole provisions, and provisions relating to criminal records and restitution and provide for a special legislative committee**  
Introduced by Senator Heath Mello of Omaha  
Hearing Date: February 20, 2015  
Judiciary

LB 605 is the first part of recommendations stemming from the CSG working group that was created at the end of last session. We were asked by Commissioner Hudkins to convey County Attorney Joe Kelly's concern to Senator Mello. That was done as requested. Questions were raised during the hearing regarding both the County Attorney's suggested amendments and additional county aid. Senator Mello in follow-up conversations, is committed to the county aid we discussed at the 2/19/15 meeting. The bill was officially advanced to General File last week. A copy of the amendment was forwarded to Mr. Eagan for his review. The debate on LB 605 was very centered on two areas – first, the penalty changes that were embodied in LB 605 and second, the data that was presented to affect the prison population.

Last week, Senator Seiler filed an amendment to LB 605 – AM1530. It was 137 pages and was forwarded to Mr. Eagan for review. It included the provision we discussed that makes the funding under the grant program available in the first year (See sec. 87, p. 108). Too, it included a provision that would say that if the maximum penalty would place the individual in a state facility then that is where they will go (see sec. 6, p. 10). That amendment was adopted but right after an amendment by Senator Mello – AM1609 – was adopted that gives the oversight commission the ability to look at data from counties. LB605A was advanced from General File yesterday in a form reflective of the green copy of the bill. Senator Mello will be offering an amendment on Select File to include changes reflected in the Seiler & Mello amendments.

19. **LB 606 – Adopt the Office of Inspector General of the Nebraska Correctional System Act, change provisions relating to the Public Counsel, and mandate a declaration by the Governor of a correctional system overcrowding emergency as prescribed**

**Introduced by Senator Heath Mello of Omaha**  
**Hearing Date: February 20, 2015**  
**Judiciary**

LB 606 would establish a full-time program of investigation and performance review to provide increased accountability and oversight of the Nebraska correctional system. The office of Inspector General of the Nebraska Correctional System is created within the office of the Public Counsel for the purpose of conducting investigations, audits, inspections and other reviews of corrections. LB 606 states that the Governor shall declare a correctional system overcrowding emergency when the population is determined to be over 140% of capacity by certification of the director. We understand that the provisions of LB606 have been amended into LB598, which is a Legislative Performance Audit Committee priority bill. This bill was advanced to Select File on April 13, 2015 after 30 minutes of debate.

**20. LB 273 – Authorize voters to decide partisan status of county offices**  
**Introduced by Sen. Kate Sullivan of Cedar Rapids**  
**Hearing Date: February 25, 2015**  
**Government, Military and Veterans Affairs**

Bill is to authorize voters to vote regarding partisan or nonpartisan ballots for nominations and election of county officers in certain counties. Summary of new language:

The question shall be put to the voters at the first statewide general election after the adoption of the resolution.

(3) If the vote on the question is in favor of the nomination and election of all officers elected on a nonpartisan ballot, shall be nominated and elected at all subsequent elections.

LB 273 removes language in several sections including at 32-325, that states that the county surveyor shall be elected on the partisan ballot and 32-326 that states that the county engineer shall be elected on the partisan ballot.

**21. LB188 - Change provisions relating to innocent third parties injured during a vehicular pursuit.**  
**Introduced by Senator Dan Watermeier of Syracuse**  
**Hearing Date: January 23, 2015**  
**Judiciary**

This is Senator Watermeier's bill that states that a passenger in a fleeing vehicle shall not be considered to be an innocent third party if the passenger (a) enters with knowledge

the driver is under the influence (b) fails to take steps to persuade the driver of the fleeing vehicle to stop the vehicle (c) promotes or provokes the driver to flee (d) are themselves subject to arrest or (e) is engaged in illegal activity that would itself give rise to arrest.

POSITION: SUPPORT. LB188 was heard by the Judiciary Committee on January 23, 2015 and was opposed by several groups including the Nebraska Association of Trial Attorneys. The bill was advanced to General File with an amendment that was included in our report a few weeks ago.

22. **LB142 - Create the Aquatic Invasive Species Program and provide funding.**  
Introduced by Senator Ken Schilz of Ogallala  
Hearing Date: January 21, 2015  
Natural Resource

To create the Nebraska Aquatic Invasive Species Program to be used by Game and Parks to prevent and mitigate damage caused by aquatic invasive species such as the zebra mussel, silver carp, and other such species. These species have proven destructive to the ecosystems and usability of surface waters in surrounding states, and steps must be taken to prevent their establishment in Nebraska. The Aquatic Invasive Species Program will be funded with a fee of between five and ten dollars, every three years that is paid with motorboat registration and/or renewal. Non-Nebraska boats shall be eligible for a yearly stamp at a cost of between ten and fifteen dollars. These funds are to be allocated for use in monitoring, testing, decontamination, and mitigation of aquatic invasive species in Nebraska surface waters.

POSITION: Monitor. This bill advanced from the Natural Resources Committee with an amendment – AM45 which creates the Aquatic Invasive Species fund at the Department. The bill was approved by the Governor on March 5, 2015.

23. **LB66 - Require political subdivisions to make disclosures regarding bonds and provide for liability.**  
Introduced by Senator Paul Schumacher of Columbus  
Heading Date: January 21, 2015  
Judiciary

As we read this bill, it would require the following disclosure on bond documents:

- (a) The amount of any unfunded pension obligations of the school district, city, village, or county
- (b) The actual amount of the valuation of the real estate subject to taxation in the school district, city, village, or county,
- (c) the actual amount of the valuation of the real estate in the school district, city, village, or county that will not be available for payment of the bonds because of tax increment financing, and

(d) A statement substantially as follows: It is uncertain if the bonds being issued would have priority over the pension obligations of (insert name of school district, city, village, or county) if it declares bankruptcy.

It also provides for pretty stringent liabilities in the case of non-disclosure including the governing board members in their personal capacities.

POSITION: OPPOSE. The hearing on this bill was held on January 21, 2015 and bond counsel for the city of Lincoln testified and stated that Lancaster County opposed the bill in his testimony. There was significant opposition and no support for the measure other than the introducer.

**24. LB 132 – Change joint public agency bonding powers and procedures.**  
**Introduced by Sen. Laura Ebke, Crete**  
**Hearing Date: January 29, 2015**  
**Government**

LB 132 links Joint Public Agency bond issuance procedures to taxing powers. It requires Joint Public Agencies follow the bond issuance procedures a participating public agency would be required to follow to bond the particular revenue stream.

POSITION: OPPOSE. This bill was heard by the Government Committee on January 29, 2015. Mr. Eagan noted potential concerns with this bill that could affect the JPA. The supporters of the bill included LIBA and the Platte Institute. Those in opposition included bond counsel for the City of Lincoln and Lynn Rex representing the League. The bill was advanced to General File on March 6, 2015 with a committee amendment attached. We included a copy of the amendment with a previous report. The bill has been declared to be a Government Committee priority bill.

AM 582 to LB 132 addresses technical issues, but keeps the original content of the bill. AM 582 clarified electorate language relating to a vote on a bond issue. JPA shall have only those powers of taxation as one or more of participating public agencies as provided by agreement proposing creation of JPA. The JPA shall not levy a local option sales tax. A levy in property tax cannot exceed the limit agreed upon, if agreement limits the levy authority of overlapping participating public agencies to same amount. Levy authority of a JPA shall be allocated by city or county. If a participating agency is a municipality agreement, an agreement can allow for any occupation or wheel tax. Prior to the issuance of bonds and pledge of property tax levy authority to a JPA, the question shall be put forth to the registered voters of the participating public agency. If voters exist in an overlap area of public agencies, the voter shall only vote once.

On Wednesday of three weeks ago, we met (along with Mr. Eagan) with Senator Ebke along with representatives of LIBA, the city of Lincoln and Senator Murante and Senator Morfeld's offices to bring up our two concerns about LB 132 – those about exemption under 23 – 120 and refinancing. While they have accepted our

group's recommendations on the refinancing language, Senator Ebke has not agreed to the language allowing the use of the broader power of JPAs. We continued to work with her offering different options – along with those authored by the city of Lincoln. These amendments were not accepted by the bill's proponents. April 28, 2015, the bill moved to Final Reading after adoption of the re-financing language agreed to by the parties.

#### **OTHER LEGISLATION OF NOTE RAISED BY DEPARTMENT HEADS:**

**LB482 - Change provisions relating to juveniles**  
**Introduced by Senator Bob Krist of Omaha**  
**Hearing Date: February 25, 2015**  
**Judiciary**

Restraints shall not be used on a juvenile during a juvenile court proceeding and removed prior to the juvenile's appearance before the juvenile court. Unless there is cause to show the need of restraints in the court proceeding. If there is a determination that restraints are needed, juvenile court shall provide the juvenile, the juvenile's attorney, or the juvenile's parent or guardian an opportunity to be heard before ordering the use of restraints.

**POSITION: NO POSITION.** Senator Krist has indicated that he introduced this legislation to conform to best practices. During debate on this measure on Tuesday he made reference to Lancaster County's Staff secure facility. This bill passed on April 23, 2015 and was signed by the Governor on April 29, 2015.

1. **LB 266 – Change provisions relating to jurisdiction for municipalities to enforce ordinances**  
**Introduced by Senator Sue Crawford of Bellevue**  
**Hearing Date: February 3, 2015**  
**Urban Affairs**

Municipalities currently have the authority to regulate nuisances within their extraterritorial zoning jurisdiction. LB 266 amends various nuisance statutes to clarify this existing authority.

**POSITION: NO POSITION:** An amendment was worked out prior to the hearing to work out concerns raised by the League. An amendment was offered to the Committee during the hearing that would exempt out counties of greater than 100,000 – citing joint planning boards and commissions – and providing for a notice to County Boards of development in the ETJ of a city. The bill was signed by the Governor on March 5, 2015.

2. **LB 543 – Provide for certification of community paramedics and reimbursement under Medicaid**

## County Bridges

- SW 91<sup>th</sup> Street & Yankee Hill

Sorry for not getting back to you quickly, been working on the flooding issues.

My concerns last Thursday was that we were having a Demo by two firms, without giving any notice to other firms who may have the same or better products out there. Actually, if we decide to piggyback on the State we do not have to do a RFP.

As I looked at what was presented, I saw apples and oranges. The Onbase system presented is the total package from start to finish and the Trim is just records management. Yes Trim has different module but so does Onbase. Maybe, we could buy just the records management system from Onbase. The OnBase configuration that is in place at the State already includes Records Management. State rates for the OnBase (actually, they just call it ECM – for Enterprise Content Management) service do not make any distinction about using specific modules of functionality within OnBase – that is, there's one set of rates, regardless of the specific functionality a given customer organization decides to use.

My understanding is that the present Trim version we are on, is no longer going to be supported, thus you need to decide to we stick with Trim and upgrade to the latest version or do we bite the bullet and switch to a new system.

My opinion is the county needs to decide why certain county agencies are not using Trim and why. Is it because the present version and modules do not meet their needs, do they really know what it can or can not do for them? Or is it that they can't afford it?

I don't know if there was any general training for everyone, or whether it was only provided to those organizations that decided to use TRIM. I think you are caught in a bad place...the Board may or may not be able to really mandate the use of TRIM – on the other hand, some of the frustration about low use of TRIM might be due to the fact that several organizations believe they have no business reason to use TRIM, and/or have other technology systems (like in the Public Defender, County Attorney and Assessor) where do they store most of the documents. Any expectation that EVERY organization will use the same solution for documents – where it's TRIM or OnBase

If there are tools out there that can make our jobs easier we should investigate them and the long term cost associated with them.

Also, (opinion) I have seen time and time again where government will buy a program, but not to keep it updated. Then down the road they end up with a problem to spend more bucks to get updated or change the system. Minor upgrades during the life of the product should not be as stressful as a major change at end of life of the product. I would note that one advantage to consuming the State ECM/OnBase service is that the State does maintain products (keeping up with new versions) and that effort is simply included as part of the rate – there is no separate, additional fee for upgrades.

Vince -- thank you so much for your thoughts. If you would, please email me something about the gist of our conversation and specifically in regard to the county being able to piggy back onto state

contract and the dangers of doing an RFP. Would you also be able to come to our Thursday meeting?  
Pls let me know.

Deb - just to follow up on my loooong winded phone message! ☺

We have just begun utilizing OnBase for about half a dozen projects. Specifically, these projects are "under construction" in Public Works:

- 1) Water and Wastewater record conversion from paper as built construction plans to electronic records storage.
- 2) Street Maintenance Safety and Proficiency Training tracking and documentation.
- 3) Processing Surety Releases for Private Development/Construction in the Right of Way.
- 4) Execution of Construction Contracts via Executive or Directorial Order from the time of Bid to filing with the city clerk.
- 5) Processing Change Orders (part 2 of #4 above)
- 6) Processing private development agreements for construction in the right of way as well as documenting/reporting observation & inspection during construction.

Benefits of OnBase:

- 1) Robust/Comprehensive Document Management tool
- 2) Paperless Records Storage
- 3) Records retention schedules may be automated to comply with State law
- 4) Searchable documents
- 5) ROI - Workflow efficiencies created as projects are constructed. For example, we're moving to simultaneous review of contracts for multiple departments in order to significantly reduce the time it takes for a contract to travel from inbox to inbox. Eradicate antiquated and wasteful business practices and workflows!
- 6) Self Service Public Records Requests. Rather than staff wasting hours of work time to retrieve, gather, collect, and copy records in response to a FOIA request, OnBase may be used as an online self-service tool for citizens to retrieve public records. NDEQ has an exemplary system in place today on their website.

Please let me know if you have any additional questions or would like to see how it works. This summer we'll be done with 4 of 6 above and I'd be happy to schedule a demo with you. I can also share cost information and what our budget structure is for this initiative.

Good luck Deb!  
Miki
