**AGENDA ITEM**

**1) FINAL ACTION ON REAL PROPERTY VALUATION PROTESTS FOR 2019 – Great Plains Appraisal, Referee Coordinator**

Cody Gerdes, Great Plains Appraisal, Referee Coordinator, provided the following corrected value recommendations:

- 1.** Protest 19-00335 was decreased from \$298,000 to \$286,000;
- 2.** Protest 19-01521 was decreased from \$670,200 to \$528,100; and
- 3.** Protest 19-01474 was decreased from \$5,901,800 to \$5,801,800.

He explained that two of the corrections were due to typographical errors and the other was due to a decision on a pending Tax Equalization and Review Commission (TERC) case (Exhibit A).

Vest entered the meeting at 1:04 p.m.

Gerdes gave a brief overview of the 2019 property valuation protest season, highlighting various trends, statistics and changes. He also thanked Great Plains staff and numerous County agencies for their assistance throughout the protest process. It was noted that having a representative onsite from the Assessor/Register of Deeds Office was very valuable.

Amundson expressed her gratitude for how well the Assessor's Office Referee Coordinator worked together. She then asked if anyone in attendance wanted to provide comments.

Prior to public comment, Amundson reiterated that the BOE will not be accepting any new information. Final value letters will be mailed following today's action which will include information on how to file an appeal with TERC.

Zack Hadi (Protest #19-00069) appeared to discuss his frustration with the protest process regarding the lack of consideration given to information he provided at his hearing.

Carla Waldbaum (5019 Bunker Hill Road, Lincoln, NE 68521) appeared and stated that while there have been improvements to the property protest process, the system is flawed and broken.

Dana Namick (Protest #19-00004) expressed concern for how his property's rating listing has changed on the County Assessor's data sheet.

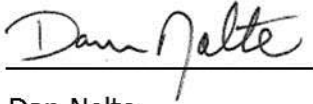

Gerri Monahan (Protest #19-01302) requested clarification on how her home's valuation was determined. Amundson suggested Monahan file her request and additional information with TERC.

**MOTION:** Yoakum moved and Flowerday seconded to accept the recommendations of the referee coordinator for 2019 real property valuations as established by the record except where the Board of Equalization determined a revised value was warranted during the appeal process. Schorr, Flowerday, Yoakum, Vest and Amundson voted yes. Motion carried 5-0.

## 2) ADJOURNMENT

**MOTION:** Schorr moved and Vest seconded to close the Board of Equalization acting upon individual real property valuation protests for 2019. Flowerday, Schorr, Vest, Yoakum and Amundson voted yes. Motion carried 5-0.

By order of the Chair, the meeting adjourned at 1:35 p.m.
