MINUTES
BUDGET MONITORING COMMITTEE
COUNTY-CITY BUILDING, ROOM 113
TUESDAY, JULY 31, 2012
1:00 P.M.

PRESENT: Dennis Meyer, County Budget and Fiscal Director; Larry Hudkins and Brent Smoyer, County Commissioners; Kerry Eagan, Chief Administrative Officer; Don Thomas, County Engineer; Mike Thurber, Corrections Director; Chief Deputy Sheriff Bill Jarrett and Sergeant Jeffrey Bliemeister, Sheriff's Office; Jim Gordon, Nebraska Bar Association; Pam Dingman and Ron Krejci, Community Representatives; Kyle Fisher, Lincoln Chamber of Commerce; Coby Mach, Lincoln Independent Business Association (LIBA); Jordan Pascale, Lincoln Journal Star Newspaper; and Ann Taylor, County Clerk's Office

The meeting was called to order at 1:07 p.m.

1 REVIEW AND DISCUSS THE PROPOSED FISCAL YEAR (FY) 2012-2013 LANCASTER COUNTY BUDGET

Dennis Meyer, County Budget and Fiscal Director, discussed the budget process and issues that impacted the budget this year:

- The County Board asked all departments to submit a budget at 97% of their Fiscal Year (FY) 2011-2012 budget. Five departments met the request. Eleven departments submitted a budget at the same budget or below.
- Proposed expenditures total \$159,524,177, which is a 3.38% increase over the FY 2011-2012 adopted budget. Half of the increase is attributed to the new Lancaster County Adult Detention Facility (LCADF).
- The proposed budget was prepared with a 1 cent increase in the property tax rate and a projection of a 4% increase in valuation.
NOTE: The new rate will be 27.83 cents per \$100 of value.

Krejci asked whether the valuation projection is aggressive. Meyer said the County Assessor submitted valuation numbers to the Property Assessment Division of the Nebraska Department of Revenue, they were in the 5.5% to 6% range. He said the County had anticipated 12,000 property valuation protests and only 6,277 were filed. Meyer said, based on those numbers, he's not sure whether it is aggressive or not. Mach questioned whether the County's projection is aggressive enough. Meyer said there will be adjustments once final numbers are received.

In response to a question from Fisher, Meyer said 1% of valuation equates to approximately \$500,000 and 1 cent of property tax equates to approximately \$1,900,000.

Pam Dingman, Community Representative, arrived at the meeting at 1:18 p.m.

Meyer also gave an overview of the following documents (Exhibit A):

- Lancaster County, Comparison of Budgeted Expenditures, FY2013 Proposed Compared to FY2012 Adopted
- Lancaster County, Comparison of Payroll Costs, FY2013 Compared to FY2012
- Lancaster County, Comparison of General Fund Revenues

Fisher questioned the debt service numbers, noting the actuals are lower than budgeted numbers. Meyer explained that funds set aside in the Debt Service Fund for the County Treasurer's new property tax system will soon be disbursed. He noted it was one of the projects designated in a 2004 bond issue but was delayed until now. Meyer said he also intends to pay off the 2004 bonds this year, noting there are three years worth of payments remaining.

Meyer discussed the General Fund budget, noting it will increase by approximately \$5,300,000. Property tax in the General Fund will increase by about \$4,600,000. He said major items in the General Fund this year are election costs, the County Treasurer's new property tax system, costs related to the Board of Equalization (BOE), an increase in the County's share of costs for 911/Emergency Communications (from 4% to 8%), and self-insurance costs.

Meyer noted that the Board decided to remove funding of the Post Employment Health Plan (PEHP) from the budget last year, anticipating \$300,000 in savings. He said they were not able to implement the reduction, because the County's case before the Commission of Industrial Relations (CIR) was not settled. As a result, funding of PEHP is back in the FY 2012-2013 budget.

Jarrett discussed the Sheriff's budget, noting the filling of several vacancies was delayed to save costs. He also discussed the increase for the 911/Emergency Communications and said he believes the increase should have been done incrementally.

Thurber discussed the Corrections budget, noting the opening of the new LCADF has been pushed back. He said the facility will house 550 to 580 inmates upon opening. Staffing costs are projected to increase by \$1,600,000 (39 new correctional officers). Thurber said Corrections has started to pay the District Energy Corporation (DEC) for amortization of the thermal energy plant that will heat, cool and provide backup power to the new LCADF. He also pointed out that Corrections lost approximately \$1,800,000

in revenue when the County entered into an agreement with the City and agreed to no longer charge for housing City prisoners in return for the City allowing the County to use its taxing authority to help pay for the new Lancaster County Adult Detention Facility (LCADF).

Krejci asked whether they plan to take prisoners from other counties as a source of revenue. Thurber said they will need the resources to be able to accept them, noting the County does not plan to open two of the housing modules at this time. He added that other counties will likely be able to provide beds for less than Lancaster County.

Fisher asked Thurber the total increase to his operational costs, from the current jail to the new jail. Thurber said the budget is currently \$14,950,000 and will probably be at \$19,500,000 with the additional staff.

Meyer discussed legal services costs which he said total \$5,500,000 a year. He said the Board has taken steps to try to control those costs, such as a new contract with Legal Aid of Nebraska to represent indigent parents and juveniles in Juvenile Court proceedings and new billing software for the Courts. Eagan said they may also pursue legislation to limit the type of appointments, particularly in Juvenile Court.

Thomas discussed the Bridge and Highway Fund budgets. Meyer noted the overall tax increase for all of the County Engineer's operations is 1.43%. Thomas said this will be the last year of dealing with federal aid the way the County has in the past. In the future, the Nebraska Department of Roads (NDOR) will purchase the County's federal aid, with the County receiving 80%. The benefit is that the County will not have to deal with the regulations. Three bridges will be built and Denton Road will be reconstructed, from Southwest 12th Street to Southwest 56th Street, with federal and state monies. He also reported on an unanticipated increase in revenue from the Highway Trust Fund and said there have been significant savings (\$600,000) by making changes to the asphalt mix his department uses and by making changes to planned overlays. Costs for pavement markings in the Highway Fund have also decreased because the department will be doing 34 miles of paint striping (thermoplastic paint) with federal funds. One mile of paving, on South 120th Street, is planned this year.

Meyer discussed the workers compensation and other self-insurance funds and indicated plans to transfer \$300,000 from the Keno Fund into the self-insurance funds. Eagan said they may need to find another way to "shuffle" the funds because the proposed transfer would likely not meet the definition of community betterment.

Meyer also discussed the Mental Health Fund, noting a decrease in expenditures will allow the County to decrease the property tax funding of the Community Mental Health Center (CMHC) by \$620,000. He added that property tax funding of CMHC has decreased by approximately \$1,000,000 over the last two years. Eagan noted plans to issue an Invitation to Negotiate (ITN) to privatize CMHC. **NOTE:** Only the Crisis Center is a mandated responsibility. He said if the Governor decides to expand Medicaid,

under terms of the Affordable Care Act, it would take care of a large number of those individuals the County is currently paying for and would completely wipe out General Assistance (GA). He estimated that would save \$2,000,000 in property tax.

Krejci inquired about the proceeds from the sale of Lancaster Manor (the former County nursing home). Meyer said those funds make up the fund balance (Lancaster Manor Fund) and said the only disbursement at this time is for workers compensation claims. Hudkins noted there is \$2,100,000 remaining in the fund. He said the Lancaster Manor Proceeds Committee recommended the funds be utilized for the elderly. The Lincoln Area Agency on Aging received approximately \$800,000 from a separate Lancaster Manor foundation. Hudkins felt \$500,000 should be set aside to pay the remaining workers compensation claims and the remainder transferred to the General Fund for property tax relief. Krejci concurred with Hudkins.

Meyer said the budget was prepared with a 1 cent property tax increase and the Board decided to offset the increase by lowering the Railroad Transportation Safety District's (RTSD's) levy by 1 cent. He added there has been discussion of possibly lowering the levy even more. **NOTE:** The RTSD is part of the 15 cent levy authorized for certain political subdivisions. Gordon asked why the RTSD was targeted. Smoyer said the RTSD has a fund balance of approximately \$18,000,000 and collects \$5,000,000 a year. He said he believes the RTSD has sufficient funds to take care of projects and he would like to see the levying authority used for property tax relief. Dingman asked about upcoming projects. Smoyer said the RTSD is committed to three projects: 1) Southwest 40th Street (\$9,000,000); 2) Waverly quiet zone (a railroad grade crossing at which trains are prohibited from sounding their horns in order to decrease the noise level for nearby residential communities) (\$1,500,000); and 3) Hickman quiet zone (\$1,500,000). Fisher asked why the City of Lincoln would oppose decreasing the RTSD levy. Smoyer said the City wants the RTSD to assist with roundabouts (circular intersections) at 28th and Cornhusker Highway in order to fix railroad crossings at 33rd and 35th Streets. He said he believes the scope of the project is too large and may not meet the mission of the RTSD. Fisher asked whether the City contributes to the RTSD. Hudkins said only in terms of matching funds. Dingman questioned whether the RTSD has fulfilled its mission and should be allowed to sunset.

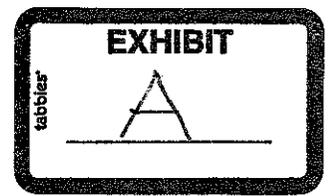

Fisher asked Meyer whether he believes a property tax rate of 26.83 cents is sufficient for operations, including the new LCADF. Meyer said he will need an additional \$1,300,000. Meyer noted that revenues have decreased the last few years and valuations have only increased on average 1% each year the last five years. He said the County lives off property taxes and inheritance taxes. Meyer said the County has tried to make reductions, noting the number of full-time equivalent employees (FTE's) has decreased over the last five years.

Meyer noted he plans to file the proposed FY2012-2013 budget with the County Clerk's Office later in the day. He also indicated that valuations will be certified by August 20th. **NOTE:** The County Board will hold a public hearing on the proposed budget on August 28th.

2 ADJOURNMENT

There being no further business, the meeting was adjourned at 2:45 p.m.

Submitted by Ann Taylor, County Clerk's Office.

Budget Monitoring Committee

July 31, 2012

Budget Instructions: The County Board asked all departments to request a FY2013 budget at 97% of their FY2012 budget.

Budget of Expenditures: The total proposed budget of expenditures is \$159,524,177 which is a 3.38% increase over the 2011-12 adopted budget. The \$2.6 million increase in the Corrections budget makes up half the increase. The new jail will be finished and opened during the fiscal year.

Property Taxes: The property tax rate will be 27.83 cents which is a one cent increase over the prior year.

Valuation: Final Valuation numbers will be available August 20, 2012. The proposed budget was completed with a projection of a 4% increase in valuation.

Post Employment Health Plan: The Fiscal Year 2011-12 budget was prepared with the removal for funding of the Post Employment Health Plan for employees beginning approximately September 1. Savings were projected at approximately \$300,000. The savings never happened and the funding is now included back in the fiscal year 2012-13 budget. The County is waiting on a ruling from the CIR.

General Fund Budget: The total budget of expenditures increased by \$5,285,243 which results in a 6.14% increase. Eleven of the 35 departments have a budget of the same amount as last year or below. Five of the departments met the 97% requirement. There will be a transfer from the Keno Fund in the amount of \$500,000 for property tax relief. Property tax for the general fund will increase by \$4,653,426.

- **Election Commissioner:** The increase in this budget is attributable to the election cycle. Fiscal year 2011-12 had one election compared to three elections in fiscal year 2012-13.
- **Information Services:** Information Services will develop a property tax system for the County Treasurer's office for \$244,950. Funds will be

transferred into the general fund to cover the cost. There is no \$175,000 credit in fiscal year 2012-13.

- **Board of Equalization:** Expenditures have increased by \$209,000 because of the revaluation done by the County Assessor's office. The budget was decreased during the budget process because the number of protests came in below what was projected.
- **County Sheriff:** The County has an interlocal with the City of Lincoln for the 911 Communication Center which requires the County to pay 4% of the costs. The City is asking for an increase to 8% of the costs which is an increase of \$121,112. There have also been some costs added to the Sheriff's budget due to the County being self insured.
- **Justice Miscellaneous:** Legal Services has an increase of \$228,853 because of a new contract signed with Legal Aid of Nebraska. Legal Aid will take on more cases which should reduce our legal services cost spread throughout the court budgets. The County will not see all of the savings in the first year but the Juvenile Court budget has been decreased \$100,000.
- **Corrections:** The Corrections budget was reduced by \$600,000 but the total budget still increased by \$2,678,877. The new jail should be completed and opened during fiscal year 2012-13. District Energy payments will be approximately \$1.2 million and there will be a need for an additional 39 employees. The reduction was allowed because the opening of the new jail has been pushed back to March, 2013. Six months will be needed between the completion of the jail and the opening of the jail.

Specific Budgets

- **Workers Compensation and Other Self Insurance Funds:** Lancaster County self insures both funds. Fund balances have become an issue so there will be a \$300,000 transfer from the Keno Fund. Funding by the County departments has changed for this fiscal year to ensure that funds are available for insurance purposes.

- **Bridge & Special Road Fund:** Expenditures have increased by 7.02% but county funding has only increased by 1.43%. One position has been eliminated. Don will discuss the projects but there is additional federal funding that is being utilized this fiscal year.
- **Highway Fund:** Expenditures have increased because fund balance and highway allocation is projected to be more than last year. There is no property tax used to fund the Highway Fund. Two positions have been eliminated from the budget.
- **Keno Fund:** Expenditures are decreasing by 34.72%. The balance of the fund has decreased because last year there was a \$1,575,000 transfer to the general fund for property tax relief. This fiscal year there will be a transfer to the General Fund of \$500,000 and a transfer of \$300,000 to an insurance fund.
- **Debt Service Fund:** Property tax will remain the same.
- **Building Fund:** Property tax will remain the same.
- **Jail Savings Fund:** The fund will be used to purchase fixtures and equipment for the new correctional facility which is to open this fiscal year.
- **Lancaster Manor:** The activity in the fund is to pay workers' comp payments. The County Board had a discussion to use some of the remaining balance for property tax relief but determined not to use any of the remaining amount.
- **Mental Health Fund:** Expenditures have decreased by 2.24%. Property taxes will be approximately \$620,000 less than last fiscal year.
