STAGECOACH ROAD IN THE VICINITY OF)
SOUTHWEST 2ND STREET, LANCASTER)
COUNTY, NEBRASKA)

WHEREAS, the Lancaster County Soil Conservation District and USDA Soil Conservation Service have cooperated with Lancaster County on the construction of several small flood control dams in southern Lancaster County ; and

WHEREAS, one of the dams, Upper Salt 3-A, replaced a bridge on West Stagecoach Road at the intersection of SW 2nd Street; and

WHEREAS, the project continues to provide flood control and transportation benefits with the Lower Platte South Natural Resources District (NRD) maintaining the dam and Lancaster County maintaining the roadway; and

WHEREAS, the conditions of the dam and principal spillway/pipe warrant rehabilitation of the Upper Salt Creek Dam 3-A to meet current dam design standards of the Nebraska Department of Natural Resources; and

WHEREAS, the NRD desires to rehabilitate Upper Salt 3-A and make improvements to West Stagecoach Road and SW 2nd Street; and

WHEREAS, in order to complete the rehabilitation work, the NRD is requesting that Lancaster County ask for a relaxation of standards from the Nebraska Board of Public Roads Classifications and Standards to reduce the speed limit over a portion of the Upper Salt Creek 3-A dam to 30 M.P.H.; and

WHEREAS, the Lancaster County Engineering Department has deemed that a relaxation of the roadway design standards, specifically design speed and the associated stopping sight distance, is needed to perform the rehabilitation work; and

WHEREAS, Lancaster County requests that the design speed be reduced to 30 M.P.H. for the portion of West Stagecoach Road, beginning 100 feet east of the SW corner of Section 35; thence east 750 feet.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners of Lancaster County, Nebraska, does hereby direct the Lancaster County Engineer to send a letter to the Nebraska Board of Public Roads Classifications and Standards respectfully requesting the Board to grant a relaxation of the roadway design standards by authorizing the design speed to be reduced to 30 M.P.H. for the portion of West Stagecoach Road, beginning 100 feet east of the SW corner of Section 35; thence east 750 feet.
