1 A RESOLUTION establishing a final property tax levy for the City's 2013-2014
2 fiscal year and adjusting the City tax rate to that adopted in the City budget resolution.

3 RECITALS

4 I.

5 Pursuant to Neb. Rev. Stat. § 77-1601.02, the City Council of the City of Lincoln
6 is authorized to pass, by a majority vote, a resolution setting the final tax rate.

7 II.

8 Pursuant to Neb. Rev. Stat. § 77-1601.02, notice was published in a newspaper
9 of general circulation on September 10, 2013, which date was at least five days prior to
10 September 16, 2013 being the date upon which the City Council held a special public
11 hearing called for the purpose of considering and acting upon this resolution.

12 III.

13 When the budget was adopted on August 26, 2013, the tax rate was anticipated
14 to be .31580 per \$100 of assessed valuation. Final certified valuations from the County
15 Assessor's office have not changed the tax rate necessary to fund the adopted budget.

16 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of
17 Lincoln, Nebraska:

18 That after notice and public hearing as required by law, the City Council does
19 hereby set the following final levy for the City of Lincoln 2013-2014 fiscal year for a
20 property tax request of \$54,036,096.00: \$.31580 per \$100 of assessed valuation which

Ms. Deann Haeffner
Auditor of Public Accounts Suite 2303
State Capitol
Lincoln, NE 68509-8917

Dear Ms. Haeffner,

This letter should be considered a part of the City of Lincoln's 2013-2014 budget submission to the Auditor of Public Accounts. The Council Adopted Operating budget book, six year Capital Improvement Program and the Budget Resolution were prepared for the City of Lincoln's Biennial Budgets for FY 2012-13 & FY 2013-14. These were sent to you with last year's submission. Our Budget Resolution to amend and update the previously adopted biennial budget is included with this submission. The following information is not yet available but will be provided as noted below.

- The Lincoln Electric System (LES) budget and the associated budget form are not included. LES is on a different fiscal year and adopts their budget in November of each year. As a result, the 2013 budget will not be adopted for a couple of months. This information will be provided by LES.
- A copy of the resolution setting the final tax rate will be adopted soon and will be submitted to you when it is finalized.

Other than the items and explanations noted above, all information is submitted at this time, including a listing of the City's interlocal agreements.

As discussed in prior years, there are a certain number of funds, by their nature, for which it is not practical to set a fixed budget amount. As in the past, appropriations for these funds (but not a fixed amount) are established in the text of our budget resolution. Also, amounts reported on pages 2, 3 and 5 utilize information from the City's Comprehensive Annual Financial Report (CAFR) for the years ended August 31, 2011 and 2012. Again, I appreciate your cooperation in minimizing the extra work required by allowing us to use a combination of sources to make our best attempt to meet the needs of the State.

In place of the "Report of Joint Public Agency and Interlocal Agreements" form, we are submitting a report of Lincoln's many interlocal agreements. This report will encompass all of the City of Lincoln's interlocal agreements from 1987 to 2012. Any interlocal agreements prior to 1987 are listed on the "Report of Joint Public Agency and Interlocal Agreements" form provided by the State. Access to Interlocal Agreement documents is available on the City's website. To reach the City of Lincoln City Clerk's website go to www.lincoln.ne.gov. Select "Government", "City of Lincoln Departments", "City Clerk", "Document Management Search". From this page check "resolution", "ordinance", and "executive order". In the subject matter box enter "Interlocal." The system will be able to query approximately 2 years at a time. From the selected documents there are links to the interlocal agreement

documents themselves. As you know, Lincoln has large number of interlocal agreements and your willingness to let us submit the information in this manner is greatly appreciated and saved a lot of time.

The following City funds are still used for various accounting purposes but are not shown anywhere in the Budget Resolution for the following reasons. Inclusion of these funds in a budget document could be misleading.

- Storm Sewer Fund, Capital Projects Fund, Sanitary Sewer Construction, Water Construction - these funds are used for construction projects which are specifically appropriated on Schedule 5 of the Budget Resolution each year. Capital Appropriations are ongoing for the life of the project.
- FEBA Reimbursement Account - this fund is used to receive contributions from employee's paychecks to allow them to receive part of their pay to be used for child care and miscellaneous medical expenses as pre-tax dollars. The amount of activity in this fund is totally under the employee's control.
- School District Account - is used to accumulate the portion of fines collected that are for the School District, which the City later passes on to Lincoln Public Schools.

If you have questions please call at 441-7412.

Sincerely,

Steve Hubka

Interim Finance Director

**NOTICE OF HEARING TO AMEND THE BUDGET FOR
 The City of Lincoln in Lancaster County, Nebraska**

PUBLIC NOTICE is hereby given, in compliance with the provisions of State Statute Section 13-517, that the governing body will meet on the 26th day of August, at 5:30 p.m. at 555 South 10th Street in the City Council Chambers in the County-City Building for the purpose of hearing support, opposition, criticism, suggestions or observations of taxpayers relating to amending the budget which was originally adopted on the 20th day of August, 2012. Due to unforeseen circumstances, actual expenditures for the current fiscal year will exceed budgeted expenditures unless the current fiscal year budget of expenditures is revised. This is a result of changing community needs that cannot always be completely identified during a budget preparation cycle that begins thirty-two months before the end of the biennial period. The originally adopted budget of expenditures cannot be reduced during the remainder of the current fiscal year to meet the need for additional money because resources for the current fiscal year are fully committed to provide community services or fund capital projects. The budget detail is available at the office of the Clerk during regular business hours.

Teresa Meier, City Clerk

Deann Haeffner, Assistant Deputy State Auditor, has given the City of Lincoln her approval the use the Lincoln City Clerk's document management system report for Interlocal Agreements in place of the "Report of Joint Public Agency and Interlocal Agreements" form. This report will encompass all of the City of Lincoln's interlocal agreements from 1987 to 2010. Any interlocal agreements prior to 1987 are listed on the "Report of Joint Public Agency and Interlocal Agreements" form provided by the State. To reach the City of Lincoln City Clerk's website go to www.lincoln.ne.gov. Select Government, Select City of Lincoln Departments, Select City Clerk, Select Document Management Search. From this page check resolution, ordinance, and executive order. In the subject matter box enter Interlocal or Inter-local or Iterlocal. The system will be able to sort approximately 2 years at a time.

Subject: City of Lincoln Interlocal Agreements

Per our phone conversation, here is a sample of the City Clerk's website for the 2010 Interlocal agreements that the City of Lincoln approved. As you know, the City of Lincoln has a large number of interlocal agreements and reporting is quite cumbersome. Would this format be acceptable with your office in place of the "Report of Joint Public Agency and Interlocal Agreements" form that is included in your current State reporting forms?
