## Basic Requirements

- A temporary mobile home is allowed as a temporary living arrangement due to a federally declared disaster while rebuilding an existing damaged or destroyed residence.
- This mobile Home placement permit applies to those located in the County and not those located within the jurisdiction of incorporated towns and villages.
- Application for temporary mobile home placement must be made by 12-31-2004. Temporary placement is allowed for 2 years. There is no fee for this permit.
- Mobile Home placement may not be located in a floodplain, in zoning setbacks, traffic site triangles, or adversely affect county driveway access.
- A courtesy inspection must be arranged prior to locating the mobile home by calling **402-441-8213**.

### Follow-up inspections are necessary for the following areas:

Foundation/tie downs	Building & Safety	402-441-8213
Electrical Hook-up	Building & Safety	402-441-8213
Water Connection	County City Health	402-441-8000
Waste Disposal	County City Health	402-441-8000

Inspections will take place within 2 working days of a call for inspection.
