

Lancaster County

County Sheriff

Service Fees and Mileage

As of July 1, 2008

All papers issued to the Sheriff's Office for service, whether it be from the Courts, the attorneys, or the litigants themselves, must have a prepaid deposit. ***There are no exceptions to this requirement.*** This deposit is separate from any filing fees paid to the Court Clerk to have a paper issued so it will be necessary to either come directly to the Sheriff's Office to leave the deposit, attach with papers being issued from court, or an Attorney Account is also available for those whom have many papers going through for service.

Any papers received where fees are not located prior to service, will be returned directly to the courts, with no service attempted.

Fees for service inside Lancaster County:

- **Filed in the state of Nebraska / to be served inside city limits of Lincoln - \$25.00**
- **Filed in the state of Nebraska / to be served outside city limits of Lincoln- \$50.00**
- **Filed in state other than Nebraska / to be served inside city limits of Lincoln -\$35.00**
- **Filed in state other than Nebraska / to be served outside city limits of Lincoln -\$50.00**

These fees are a combination of the cost for Process, Service, Mileage and Return.
Fees must be provided for each writ/person served.

Service of process from courts outside of Nebraska is a courtesy this office is pleased to extend, however, it is not mandated by state statute nor can the Lancaster County Sheriff's Office be bound by another state's requirements for service.
