Lancaster County Treasurer Andy Stebbing, announced today Motor Vehicle (MV) refunds are now available at the 500 West "O" Street location.

"Due to the increase in MV activity at our West "O" location, we have established the ability to process MV registration refunds at our office at 500 West "O" St" Stebbing said.

The County Treasurer's Office started processing MV registrations at the West "O" location in August 2011. It simply makes sense to make this location fully functional to better assist our citizens and staff more efficiently" Stebbing said.
