Lancaster County Treasurer Andy Stebbing announced that beginning February 4, 2017, the DMV Drive-thru window located at 46<sup>th</sup> and R Street, will be open Saturdays from 8:00 a.m. – 1:00 p.m. for vehicle registrations renewals.

“This is something we wanted to try and with the new plate year we anticipate it will help the public. Many people are just too busy during the week and end up running their errands on Saturdays. We hope it is helpful for the hardworking citizens.” Stebbing said.
