

## VEHICLE REGISTRATIONS ISSUED JANUARY, 2010, 2011, 2012

This graph compares the number of registrations processed for the same period over three years at each of our three locations, as well as registrations renewed through [www.clickdmv.gov](http://www.clickdmv.gov) and those received in the mail. The renewal process was added to our West O facility in July, 2011 and at our Tax office in January, 2012 to provide greater service to the taxpayers.
