**County Treasurer Adds Third Location for Vehicle
Registration renewals at the
County City Building
555 South 10th St. Room 102**

County Treasurer Andy Stebbing, announced today that owners of motor vehicles may now renew their license plates and registrations at the main County Treasurer Office, located at 555 South 10th Street, Room 102 between the hours of 7:30 am to 4:30 pm.

“At no cost to the tax payers we are now renewing license plates in the heart of Lincoln. Over 400,000 people visited the County City Building and Hall of Justice last year. 1000 work within the complex, and tens of thousands work and live within walking distance of our office”, said Andy Stebbing, Lancaster County Treasurer. “We hope to make it convenient for citizens to renew their license plates at our main office if they desire.” Stebbing said. Stebbing added renewals to 500 West O Street last summer and changed the postcard notice mail system as well, all in an effort to make renewing license plates much quicker and easier.

“Our goal is to make transactions with our office convenient and adding a third location helps meet this goal.” Stebbing said.
