**County Treasurer Will Open DMV at 46th and R Streets at 7 a.m.
County City Building
555 South 10th St. Room 102**

Beginning Monday November 4th, 2013 the DMV at 46th and R Streets will open the lobby doors at 7 a.m. "This is something we've wanted to explore and are now capable of giving it a try. I want to see what happens." Lancaster County Treasurer, Stebbing said. "Although the drive through presently opens at 7 a.m, there always seems to be a line of people waiting at our front door to open at 7:30 a.m. I want the routine visits to our DMV to be on the top of the "to do list" not at the bottom with root canals. This is the only facility we are going to test this on right now."

Stebbing added that driver's license and vehicle inspections hours remain unchanged.
