County Treasurer Going Green

County Treasurer Andy Stebbing, in conjunction with the Nebraska Forest Service, is planting fifty trees at the West O Street and Sun Valley driver's License Facility by October 31st.

"This project would not have occurred without the assistance of Kendall Weyers and the Nebraska Forest Service through the ReTree Nebraska Program. The trees will not only beautify the property, but provide relief from the summer sun, be a winter windbreak and benefit wildlife and the environment" Andy Stebbing said.

The trees were hand selected and are native to Nebraska, and will be planted with the assistance of County Correction inmates.
