- There was minor amendment of LB 994 (change property tax provisions) including a provision to allow counties a fee for electronic payments.
LB 704 (changes Nebraska State Capital Environs District specifications) was amended into LB 729 (authorize counties to cede zoning authority to first class cities), keeping the eastern boundary at 10th Street.

Hudkins said clarification is needed as to whether the boundary line is the center of the street or the east or west side of the street.

Board consensus was to schedule a budget work session on May 7, 2002 at 9 a.m.

5 COORDINATOR FOR ADULT OFFENDER SERVICES - Diane Staab, Deputy County Attorney

Diane Staab, Deputy County Attorney, reviewed the Request for Proposals (RFP) for the Coordinator for Adult Offender Services position (see agenda packet).

In response to a question from Eagan, Staab said the Personnel Department does not typically have a role in advertisement and screening of applicants for an independent contractor position.

Stevens suggested that the Board ask Kit Boesch, Human Services Administrator, to assist in screening the applications.

Campbell said grant writing needs to be included in the job description.

Boesch appeared and said the County Board budgeted $134,000 as the match for LB 640 (renames grants and provides for a county aid program under the Juvenile Services Act) but the Nebraska Legislature eliminated that funding. She suggested that a portion of those funds be used to fund the position.

6 JUVENILE ACCOUNTABILITY INCENTIVE BLOCK GRANT ($265,790) AND OFFICE OF JUVENILE JUSTICE GRANT FOR DRUG FREE COMMUNITIES ($100,000) - Kit Boesch, Human Services Administrator; Gary Lacey, County Attorney

Kit Boesch, Human Services Administrator, reviewed the following (Exhibit B):

- Juvenile Justice Funds Fiscal Year 2002-03

Boesch said the Nebraska Crime Commission has tentatively recommended that Lancaster County receive $339,060 to fund the following projects: Lincoln Action Program (LAP) Family Partners; Cedars Youth Services Truancy Prevention; Y.W.C.A. Try Another Way; Lancaster County’s Expediter Program; Cedars Project Seek; Cedars Pre-Trial Diversion Minority Outreach; Cedars Community Integration Team; LAP Youth Violence Alternatives; and Families First & Foremost (F³) Training Institute.
Boesch reported that a total of $191,263 was cut from the following projects when LB 640 funding was eliminated: Juvenile Substance Abuse Evaluation; Juvenile Justice Coordinator; Management Information System (MIS); 24 Hour Crisis Response; Court Appointed Special Advocates (CASA) Project; and F³ Wrap Around/Cedars.

- Juvenile Accountability Incentive Block Grant (JAIBG) Funds Fiscal Year 2001-02
- Juvenile Accountability Incentive Block Grant (JAIBG) Funds Fiscal Year 2002-03

Boesch said the Juvenile Justice Review Committee (JJRC) has recommended funding of the following projects ($265,790 total): Juvenile Justice Coordinator; F³ Wrap Around/Cedars (5 months); Court Ordered Employment; Pre-Trial Diversion Victim Sensitivity; Mediation Center; Evening Reporting Center-CenterPointe; Diversion Officer/Case Manager/Screener (recommendation is to move the Screener contract to the County Attorney’s budget); and Juvenile Drug Court.

Boesch recommended the following: 1) Fund a Substance Abuse Evaluator (one year pilot); 2) Drop funding of LAP, as it is not a priority; 3) Drop the Mediation Center as there are not enough cases; and 4) Continue F³ Wrap Around/Cedars, as it has already started. She said $138,000 in County match would be required (new money) and said this amount could be reduced to $61,860 if funds that were reserved for LB 640 match were deducted.

Heier said there are indications that the County may receive even less from the State next year.

Campbell acknowledged that the Substance Abuse Evaluator may be needed but said she is more concerned with maintaining existing programs. She noted that Sheryl Schrepf, Juvenile Mental Health Director, has recommended that the Board hold off on the position.

Boesch said the JAIBG Grant Guidelines identify substance abuse as a priority area and said 80% of the youth in the Lancaster County Juvenile Detention Center have substance abuse issues. She said JAIBG funds are federal entitlement monies, based on the number of juveniles incarcerated, and said she believes this would be appropriate use of those funds.

Gary Lacey, County Attorney, said he doesn’t believe any federal programs have been authorized, beyond the next fiscal year.

Boesch noted that the State pays for evaluations and said a single evaluation issue costs significantly less than a complete evaluation. She said “from a financial perspective, we would be saving the State a lot of money.” Boesch also noted that the Juvenile Court Judges would like to use the Substance Abuse Evaluator for 3A filing parents.
Heier suggested that the Keno Fund be used to fund the position, as a pilot project.

Campbell said the Board will be reviewing the F³ budget and said it may also be a source of funding.

**MOTION:** Campbell moved and Heier seconded to accept the Juvenile Accountability Incentive Block Grant (JAIBG) recommendations, except fund the Screener position with the Juvenile Accountability Incentive Block Grant funds and fund the Substance Abuse Evaluator from the Families First & Foremost (F³) Budget, Keno Fund or LB 640 monies. Hudkins, Heier, Workman, Stevens and Campbell voted aye. Motion carried.

**Drug Free Communities Grant**

Boesch requested authorization to submit an application for a $100,000 Drug Free Communities Grant. She said the County match for the grant is $100,000, but said it is in-kind match. Boesch noted that five years of grant funding is anticipated, for a total of $450,000.

**MOTION:** Campbell moved and Heier seconded to authorize the Chair to sign the Drug Free Communities Grant application. Hudkins, Heier, Workman, Stevens and Campbell voted aye. Motion carried.

He said the cost of the additional hours will be $1,500, but said the County will save $5,700 in psychiatrist costs.

Heier suggested that flexibility to cover absences be built into the nurse practitioner’s contract.

**NOTE:** The Board will take action on the contract at the April 23, 2002 County Board of Commissioners Meeting.

D. Update on Alltel Maintenance Agreement with Lancaster Manor

Dave Johnson, Deputy County Attorney, reported that Alltel is unwilling to make the requested changes to the contract. Alltel is willing to provide service to Lancaster Manor without a maintenance agreement. Another company is also willing to service the equipment but would require the County to purchase spare parts, at an estimated cost of $3,400. He noted that Lancaster Manor has purchased two cell phones that can also be utilized if there is an equipment failure.

Johnson also reported that the County has received a bill from Alltel for service provided to Lancaster Manor outside of the maintenance agreement terms.

Stevens suggested that Lancaster Manor set aside the funds that would have been used to fund the maintenance agreement in a Sinking Fund to fund future repairs.

Board consensus was to proceed without a maintenance agreement and to review repairs and costs in six months.
