TAB is pleased to announce that effective January 1, 2019, we will be manufacturing or providing filing products, supplies and labels for GBS dealers and customers from our Mayville, Wisconsin facility.

I've known many GBS filing and supplies customers for more than 25 years. We welcome all of you to the TAB family. Over the past 10 years, we have integrated two large manufacturers and we look forward to serving GBS customers in a first-class way. We understand the importance of maintaining GBS's unique product characteristics, model numbers and custom and specialty items.

Customer support will continue to be provided by Becky Casper from GBS's Malvern, Ohio facility. Alan Bartlett will continue in his role as sales manager for GBS filing solutions. TAB will assume responsibility for NetLabels, utilizing the NetLabels software to serve the GBS customer base. We are committed to maintaining NetLabels as the premier solution for on-demand label printing in our industry.
