Meeting Minutes**

2/13/2019

12:00pm

MEMBERS PRESENT: Scott Etherton, Tim Kennett, Phil Tegeler, Jennifer Brinkman, Gail Anderson

MEMBERS ABSENT: Arnold Remington, Ruth Lavin, Terri Burchess

OTHERS PRESENT: Debra Haeffner

Advance public notice of the Advisory Board Meeting was posted on the County-City Building bulletin board and the Lancaster County, Nebraska, web site on February 8, 2019. The meeting was opened at 12:05 p.m. The Chair noted the location of the Open Meetings Act. Call for approval of December minutes met with a motion to approve by Tegeler, second by Kennett. Roll call vote taken resulted in ayes from Etherton, Kennett, Tegeler. Brinkman abstained, Anderson not yet present for vote. Motion to approve minutes of December meeting as written carried. No additions to February Agenda. Anderson entered the meeting at 12:08pm.

Crisis Center Status: Electronic Locks Update ~ Etherton reviewed the project plan as it related to installation of one 'trial' lock and the challenges resulting. After discussion it was recommended a meeting be set with Public Building Commission/Property Management to determine the next steps in working toward a final resolution.

Fire Door Lock Release & Emergency Alarm ~ The emergency alarm in the hearing room is now properly wired and functioning. The fire company corrected the hook up at control panel to allow for the proper lock release of the fire door, however, Accura Controls has not yet programmed the system to allow functionality.

Electronic Health Records Software/Credible: Provider Conference ~ County Board has approved Etherton's attendance to Credible provider conference at end of February. The nursing supervisor has also been invited to attend the conference gratis as she will be partnering in a presentation. **Billing Update** ~ The billing process is not quite up to speed. Some of the reimbursements that were delayed due to software issues are starting to come in, however, various insurances still owe approximately \$192,000. Weekly meetings are being held with the billing department to stay on top of any issues. Current task tickets are filed with Credible to fix another identified discrepancy.

Misc. Documentation ~ The first attempts at revamping some of the EHR forms has proven successful with information that is easier to read, provides more pertinent information, and increases some ability to gather information. The re-tooled forms were the discharge summary, non-violent practice, medication inventory, mental health tech daily and staffing form.

Miscellaneous: CARF Update ~ Committee researched CARF's recommendation to confirm the lack of validity in their findings and a letter of objection was sent. CARF informed Etherton that the agency must submit to have a review with the cost of \$6,800 to be incurred by the county. Etherton's rebuttal to this resulted in CARF reducing the number of reviewers/days, thus, reducing the price to an estimated \$1,800. County Board has approved the review cost.

Mental Health Foundation Grants ~ Staff is working on a grant request from the foundation for indoor/outdoor items for the client's entertainment. This will be submitted as soon as survey information is gathered.

Expanded Medicaid & Region V ~ There are some fears of Region V services being cut due to the expanded Medicaid and resulting effects on services provided by Lancaster County.

Region V Audit ~ A portion of the Crisis Center's annual audit was completed last week. The fidelity of the program/services provided were all found to be acceptable in the areas of Emergency Protective Custody, Substance Abuse Evaluation, Post-Commitment Days. Six Month Statistics & Inpatient Beds update ~ Review of handouts (attachments). Post Commitment Dollars ~ Etherton reported that he was informed by Region V that the funding for post-commitment days is exhausted and it is only mid-year for this budget.

Motion to adjourn by Anderson, second by Brinkman. Roll call vote of five unanimous to adjourn. Meeting adjourned at 1:05 pm.

**Next Meeting is
March 13th, 2019 at NOON
